England Beaten

BELGRADE (AP)—The Yugoslavia national soccer team beat England 1-0 Sunday with a last-minute goal that sent a crowd of 60,000 Yugoslav fans wild. The English had fought off attack after attack by the faster, more aggressive Yugoslav team to hold the score at 0-0 until two minutes before the end.

G & A Break Away in Seventh Frame To Take 6-5 Decision Off Hotelmen

In a seventh inning blast, Gordon and Anderson combined two hits, and three errors afield, to push four runs across the plate and take a 6-5 decision from Commercial Hotel in a scheduled Prince Rupert Senior Baseball league fixture at Roosevelt Park yesterday afternoon.

Going into the seventh Commercial right-hander Gordie Cameron had allowed only two runs and six scattered hits. Those runs had been chalked up on five errors in the initial frame.

Don Scherk, G & A backstop, crossed the plate with the tying run, and Dave Hill, keystone sacker, came over with what proved to be the clincher.

Fred Christenson started out the seventh by getting on of the two free passes Cameron allowed. Bill Sunberg flied out. Don Hartwig got on with an error to shortstop Tom Naka and Don

Scherk reached first on an error to Bruce Simundson. Syd Scherk blasted a single which scored Hartwig and brother Don. Dave Hill, who had singled and stolen second, came home when catcher Herb Morgan muffed a throw. Commercial's ended the rally when they caught Raiph Enridge off second after Ian Dunbar had flied out to Miner Simundson in centre.

Commercial's go their five runs on a hit by Bruce Simundson and three errors in the second, and Bill Gunn's single and another three errors in the fifth.

Both Cameron and Christenson went the full tilt, Cameron allowing eight G & A hits and Christenson holding Commercial's to three. Each side racked up one double play apiece. In the sixth, Gunn flied to Dave Naka off first. In the seventh, Dunbar flied to Miner Simund-

son who threw to second to catch Enridge off the sack. Christenson struck out 10, allowed ten free passes, two of them to Nick Pavlikis, who was hit twice by a pitched ball. Cameron struck out eight and allowed two walks.

Dave Hill had a perfect afternoon with four hits in four appearances and teammate Syd Scherk was runner-up with three for four.

Umpiring duties were handled by "Fro" Letourneau behind the plate, G. Carlson at first and Steve Mintenko at third.

Esquires Split Double Header At Terrace

Esquire Men's Wear split a Prince Rupert Senior Baseball League double-header yesterday with Terrace at the inland town, losing the opening nine-inning affair 4-3, and taking the seven-inning fixture 6-5.

Larry Mathews was the winning Terrace hurler in the opener and Dick Letourneau took the loss. Bill Donaldson took the mound in the eighth but the clothiers couldn't pull ahead.

In the second game, Mathews was the sparkplug for Terrace, tying the score 4-4 in the third with a four-master.

Danny Bill, Esquire first sacker, put the game in the bag for the clothiers when he tripled in the sixth, scoring Bill Doukanuk who had reached first after being hit by a pitched ball.

Freshman backstop Rey McKay of Esquires had a good afternoon, getting three hits for five trips to the plate.

Jackie Sharpe went the route for Esquires and Jack Burton replaced starter Ross Millanders in the third for Terrace and is charged with the loss.

Next Prince Rupert Senior Ball league fixture is this Thursday at Roosevelt Park when Gordon and Anderson play host to Esquires.

Motors Eleven Down Cafe 3-0 In Exhibition

The General Motors soccer squad took a 3-0 decision from Cafe Gondola Saturday evening at Roosevelt Park in a scratch exhibition game which saw only nine men playing on each side.

Rod Tait, centre forward for GM, scored once and outside left E. Krutsky also scored for the garagemen. The third GM goal came on a rebound off Gondola's right full back.

There is a likelihood of a third team being formed to make up a district league, Maurice Bishop, GM centre half said this morning. Several players on the GM eleven are employed at Columbia Cellulose, and there is a possibility of a team being formed there, Mr. Bishop said.

A third team would mean the formation of a district league, Mr. Bishop stated.

What's news at Inco\*?

We freeze 300 tons of oxygen a day out of the air

Every two minutes in this modern plant, a blast like an elephant's snort tells of a modern miracle that is taking place. Under pressure at 280° below zero, air is being liquefied and the oxygen separated from nitrogen and other elements. The blast is caused by the expulsion of the nitrogen. The oxygen, thus obtained from the air, is conducted through a pipe-line to the smelter where it is used in Inco's new oxygen process of flash smelting the copper concentrates. This process eliminates the use of coal and makes possible the economical production of a valuable by-product—sulphur dioxide—which eventually is used in making paper. This oxygen plant, the first of its size and kind in Canada, produces more than twice as much oxygen per year as all other plants in this country. It is one example of the way Inco introduces new economies and finds uses for by-products formerly without value.
