

# What the PROGRESSIVE CONSERVATIVE PARTY Stands for...

## OUR PLEDGE

**T**HE B.C. Progressive Conservative Party is pledged to careful, efficient and honest administration and to courageous development of the God-given and matchless resources of this province for the benefit of all our people. We will protect freedom and enlarge opportunity for the individual as natural rights of all those who dwell within our borders today, and as a heritage for generations to come.

The B.C. Progressive Conservative Party believes that the welfare of the people is best assured by a minimum of compulsion by governments; that the increasing intrusion of government authority into the private affairs of the individual must be curbed; that the growth of bureaucratic controls brings burdensome and destructive taxation, and endangers the freedom of all our people.

The life of our province is the sum of the daily effort of all those who toil in mill or mine, factory, field or forest; in office, shop, school or home, and in the many other pursuits of our people. For all of them, the opportunity to work and save, to win advancement by ability and application, to found and maintain families, to find happiness and contentment, are of prime importance.

To achieve these aims, we pledge ourselves to deal reasonably and justly with the problems of all our people, to ensure equality of opportunity to all our citizens, to preserve freedom and to oppose monopoly.

The B.C. Progressive Conservative Party pledges itself to support in every way these principles and the actions outlined in its platform.
