if you can **GUESS THE WEATHER**

ALL YOU HAVE TO DO IS:

● Fill in the coupon at the bottom of the page, giving your estimate of the average high and average low temperatures for the week February 21 to 27 inclusive and drop it into the ballot box at Super Valu.

RULES AND INSTRUCTIONS:

1. The contest runs for six weeks with a \$25.00 winner every week. Successive contests will appear each Thursday.
2. Official Weather Bureau records at Digby Island will be the basis of determining the winner.
3. The person closest to the exact average, to a decimal point (or points), will be declared the winner.
4. In the case of ties, the winner will be determined through a question set by the judges.
5. Entries received by mail will be disqualified. PLEASE DO NOT MAIL THEM.
6. Coupons covering each successive contest will be plainly marked to show the week for which averages are to be given, and the date by which entries must be in our Ballot Box.
