Modest Heroine

PERTH, Australia (P) — When the Royal Humane Society awarded its bronze medal to 16-year-old Vanda Lukanavicius that was the first time her parents learned she had saved a swimmer from drowning months before. Vanda explained she kept quiet "because Mom got so upset when I rescued a woman from drowning two years ago."

New Incentive

DERBY, England (P) — Forty per cent of profits from city salvage may go to the collectors, under the new scheme designed to attract more men to the garbage-collecting staff and make the town tidier.
