

Ramsay Rink Wins Trophy

The Jean Ramsay rink staged a 7-ender last night to win the Columbia Cellulose Curling trophy 15-13 from a fighting Wakley crew skipped by Bessie Wakley.

The Wakley rink of Mrs. Wakley which included Mrs. Rennie, Leah McKay and Kay Martin, was leading 13-2 at the conclusion of the ninth end. On the tenth end Ramsay scored 5 and Wakley added one, only to have the Ramsay squad of Ramsay, Alice Ritchie, Alma Whatman and Pat Hicks come through with a shattering 7 points in the 12th end to take the game.

Aussies Beat U.S. Netters

SYDNEY, Australia (AP)—Americans Clive Wilderspin and Davis Cuppers Vic Seixas and Tony Trabert dropped a tight semi-final doubles match, 6-4, 12-10, 10-8, today to Australians Clive Wilderspin and Neale Fraser in the Australian national tennis championships. They were the last Americans left in doubles play.

Rookies Impress New Dodger Manager

By WALTER ALSTON
Manager of Brooklyn Dodgers

OXFORD, O.—From the start, may I say that I am not in a good position to say much about the Brooklyn Dodgers for the simple reason that I am new to the major leagues.

About the only Dodger department I can discuss is the rookie department. As manager of Montreal and St. Paul I have had the opportunity to watch most of these boys develop. We have several fine young pitchers coming up from Montreal in Hamp Coleman, Tom Lasorda, Ken Lehman, Ed Roebuck and Glenn Mickens.

Coleman probably improved the most. He gets good velocity on his fast ball, his curve is sharp and he has improved considerably in controlling his pitches. Lasorda seems to have overcome his wildness. Lehman started the season very well but was slowed down by a bad ankle. Roebuck was our hard luck pitcher but showed good stuff all year. Mickens may need more seasoning. He is a fine prospect.

Don Hoak, a third baseman, and Charley Thompson, a catcher, were with me in Montreal and both did fine jobs.

Some say Hoak is a better defence third baseman than Billy Cox. Others say that's hard to believe. I'll say it is. If he fields in the majors as well as Cox, Brooklyn will have the two best third basemen in the National League.

From the St. Louis club we will have pitchers Moore, Negray, Bessent and Dranel. I know these pitchers only from former spring training games, and by their records. Of course, Don Zimmer will join us from St. Paul. He looked very good last spring and I understand his head injury no longer troubles him.

The return of Don Newcombe from the army should be a help to the pitching staff if he can return to his pre-service form. The pitching figures to be better than last year if only because we will have Don Newcombe. I know that Cal Erskine is a fine pitcher.

Laurie Wins Challenge Cup From Garner

Jack Laurie and his rink of Ben Skallmerud, Jerry Lemire and Hector McKinnon snatched the Bert Young Challenge Cup from the Ed Garner rink Sunday in a nip and tuck game. It was Garner's sixth defence of the cup.

The two rinks were tied 1-1 at the end of the first end and Garner took the lead in the second. Laurie tied it up again in the third and Garner got another point in the fourth end. Laurie's crew went ahead when they got three points in the fifth end. Garner's squad added another point in the sixth end, and another in the eighth but Laurie captured two more single insurance points in the ninth and tenth ends.

Bob Rudderham's rink has challenged Laurie for the cup but no definite date has been set for the match.

Holgate Awarded Rifle Crest

Bill Holgate won his marksmanship crest at the Civic Centre Youth rifle club last night when he shot a perfect score of 100. The crest was presented to him at the conclusion of the weekly meeting by Rifle Club president Dick Paul.

Others who aimed in good targets were A. J. Crowe and John Clibbet, with 99; Frank Anfield with 98. Glen Smith with 97, Robert Pedersen with 96, Tero Paavola with 92 and Gerry Jensen with 91.

Twenty-eight members turned out for last night's shoot and it is hoped that others will take the opportunity of joining in the club to obtain instruction and target practice.
