B.C. Industry Needs Social Credit Representation In Ottawa

to speed up the development of this province's resources. Social Credit policy is to encourage industrial enterprises in an effort to expand Canadian industry, and at the same time to protect the public against monopolies. If B.C. industry is to obtain the support it needs, Ottawa must be made to think in line with B.C. and only Social Credit representation can do this properly!

Four Wins This Weekend Could Give Yanks Flag

By The Associated Press
New York Yankees have an opportunity this week-end to wrap up their fifth straight American League pennant. Statistical experts can show you this is not so, but if the Yankees should win all four week-end games at Chicago those fellows with the figures

are going to have a hard time convincing many folks that the race isn't over.
New York led Chicago by five games going into today's contest. Yankees defeated Detroit 5-2 Thursday without much effort while the White Sox rallied for five runs in the eighth to edge Philadelphia, 6-4.

CARL FURILLO'S head got plenty sore after being hit by pitched balls six times, so the Brooklyn Dodger outfielder's sporting this "Martian-looking" headgear these days. The plastic gadget fits into Furillo's cap, and saved him from serious injury only a week ago when still another pitched ball made contact during a Dodgers-Cubs game. Furillo says he'd quit baseball if he could not wear it!

Newly-Organized Skeet Club At Stewart Launches Season

STEWART—The opening blast of the Stewart Skeet Club was fired on Sunday, August 2, on the flats where the blind has been erected.
The recently-organized club has 22 members and many others have evinced an interest.
While 450 rounds were blasted at the birds there were only 175 tallies. However, this was not a bad showing as several of the

members were using unfamiliar weapons in addition to being a bit out of practice.
Prime movers in this new organization are Constable R. A. Seaton, Clell Mayse, Al Lawrence, F. Clift, Willis Hultz and H. Spencer. They anticipate carrying on with a .22 indoor range during the winter months.

Lawn bowling has been started by John Bouzek, local postmaster. He has been working, for some considerable time, on a piece of ground adjoining the post office and it is now in fair shape for bowling. A few of the local fans are taking advantage of this opportunity and the Stewart Lawn Bowling Club is on its way.

Return Bout Again Delayed

EDMONTON — The Earl Walls-Rex Layne return bout at Salt Lake City is off again, fight promoter Jack Berry has announced.
This was postponed to Aug. 26 after Walls was married in Windsor, Ont., last month. Berry said he received word from Jimmy Jones, Walls' manager, that the bout is again postponed.

Salem Regains Lost Ground

By The Canadian Press
Salem's Joe Nicholas tossed a five-hitter at Yakima Bears Thursday night enabling the Senators to regain lost ground in tight Western International Baseball League pennant race.

The Senators climbed to within a game and a half of first place Spokane on strength of 9-1 win at Salem and a split in the Spokane-Calgary double-header at Calgary. The Indians won the seven inning first game 7-6 but Calgary took nightcap 11-4.

Spokane and Calgary pitchers dished out eight home run balls in doubleheader at Calgary. Stan Paly's homered three times for the Indians.

At Edmonton, Lewiston Broncs defeated Eskimos 4-2 and tied them for fifth place in standings.

Jes Dobernic came in as fireman and saved 8-7 win for Tri-City over Wenatchee.
Pitcher Bill Prior, home town Victorian, won his ball game at Victoria singing in winning run with two out in last of ninth to give the Tyees 4-3 win over Vancouver.

Unique Match Scheduled In Tourney

TORONTO — A sidelight to the \$25,000 Open golf tournament in Montreal Aug. 17-23 will be a unique "golf contest" involving a golfer, a baseball player and an archer.

It will be a regular 18-hole "golf round," but while the golfer will be using his regular clubs, the ball player will be batting a ball around the course and the archer, fittingly, shooting an arrow.

For the baseball player a five-foot circle on each green will denote the "hole." For the archer a target will be placed in the hole when he is in position to "putt." If the archer shoots into a bunker it'll cost him a stroke to get out.

The baseball player will be Toronto's Goody Rosen, now retired after having campaigned in the National and International Leagues. The golfer and archer have yet to be selected.

Caps and Tyees Play Sunday For B.E. Games

VANCOUVER — Vancouver Capilanos and Victoria Tyees will meet here Sunday afternoon in a regular Western International League baseball game with all proceeds going to the British Empire Games special events committee.

It will be a silver collection affair and the first time in four years that professional baseball has been tried here on a Sunday.

Announcement of the game was made Tuesday night by Dewey Soriano, Caps' general manager.
