Many Helped In Arts Show

One of the largest exhibitions of Art, Crafts and Home Rejuvenating ever to be held at the Civic Centre has just been completed. The attendance was high and the quality of the work very good.

Behind the scenes could be found many members of the Art, Craft and Home Rejuvenating courses who spent long hours preparing for this exhibition. First among these are Miss Eileen Cross of the University of British Columbia Extension Department, and Rowland Miles of the Civic Centre staff who planned and executed the craft and home rejuvenating display almost single-handed. The Art Club worked as a unit. Mrs. T. H. Priest, President of the Art Club, contributed to the Club's success this year.

Helping to set up and take down this display of Art and Crafts were Mr. and Mrs. S. A. Cheeseman, Mr. and Mrs. T. H. Priest, Miss Honora Silversides, Mrs. Dan Parent, Mrs. S. P. Woodside, Mrs. A. M. Martinson, Mrs. Stark, Art Olsen, Mrs. John
