# VOTE FOR TOM CHRISTIE

#### To the Electors of Prince Rupert Constituency:

Tomorrow, June 12th, you will exercise one of your greatest democratic privileges; that is, you will cast your vote in the B.C. Provincial election, for the candidate of your choice. I am convinced that the Progressive Conservative Party offers the best program for the development and sound administration of the affairs of this Province and for your individual good.

May you remember that our forefathers had vision and foresight to bring about and maintain freedom of thought and speech. We have a goodly heritage. Let us preserve it by continuing to uphold the principles and policies responsible for such freedom. The Progressive Conservative Party knows full well the problems confronting us here in British Columbia and we will approach these problems as British Columbians should. We believe in the highest law—The Welfare of the People.

I want to thank all who have been with me at heart in this campaign and to ask you, when you cast your vote tomorrow, to give it your deepest consideration and to mark your hallot for the man you feel will serve you and yours best in the coming years.

I do not think you will be sorry if you cast your No. 1 Vote for your Progressive Consevative candidate.

TOM CHRISTIE.
