the appointment of a new lieu-

treasury board.

The council meets Wednesday and it may deal with several important questions awaiting approval. Some may await further developments or the proper political timing before they can be announced.

One of these questions is who will succeed Viscount Alexander as Governor-General of Canada when he gives up his post here to take up a major Commonwealth job, presumably that of defence minister of the United Kingdom.

Alexander is believed slated for minister of defence in Britain but neither the date of his by Louis O.
