IN YOUR DRIVING PLEASURE

Of course we are always glad to fill your tank with Home Gas and bring the oil in your crankcase to a safe level with Home Eastern Motor Oil. But we like to give you all those little services ... to check your tires, battery and radiator, clean your windshield, and we do it quickly and efficiently. PARK *Free* WHILE YOU SHOP

at SUPER-VALU

All orders purchased at SUPER-VALU while you are "parked" will be sent over to the parking lot at short regular intervals. Just ask one of the staff at the "LOT" for your order when you claim your car.

All that is required: That you "show" a cash register slip from SUPER-VALU for current day's purchases when you pick up your car AFTER your shopping tour. This slip entitles you to 1½ hours' free parking.

You'll have no more worries over parking fines on Third Avenue if you are a SUPER-VALU shopper. If you like to kill two birds with one stone, the Service Station will service your car while you shop.

The Parking Lot is located at Sheardown's Super-Service on the corner of Second Street and Second Avenue, just around the corner from Sheardown's SUPER-VALU. Just drive the car in and say "Park It Please."
