Send your entry with 2 endflaps (with Good Housekeeping Seals of Approval) from Blue Bonnet packages or facsimiles, to Blue Bonnet Sue, Happy Holiday Contest, P.O. Box 2120, Toronto, Ont. Enclose your own name and address, and your grocer's. Complete contest rules at your grocer's.

MRS. TED WOODS OF MONTREAL, mother of five children, says she will, never divorce her husband, now planning to marry a 27-year-old girl in Germany. She added, "if I ever see him again I will bent him up." Woods is a civilian instructor with the Canadian army in Germany. Mrs. Woods said she is sorry for the German girl if she did not know Woods was married "but if she does I'd like to beat her up too."

Mr. and Mrs. Briggs and family have returned to their home in Vaneouver after visiting in Prince Rupert, guests of Mr. and Mrs. Fred Hardy, Summit Apartments. For Mrs. Briggs, the former Lucy Hardy, it was her first visit since leaving the city 38 years ago. A telephone operator here in the early days, she was deeply impressed with the many changes that have taken place.

Canadians Teach New Zealand Workers Rudiments of Kraft Pulp Industry W. McLaughlin, all of Nanaimo, The store's branch at Tokoroa

manently.

By J. C. GRAHAM

Canadian Press Correspondent TOKOROA, N.Z.-A Canadiar colony is growing up at Tokoroa fastest-growing town in Zealand, where Canadians teaching New Zealanders how to handle key jobs in the kraft pulp industry.

Tokoroa, a timber town in th centre of the North Island, owe its existence to the operations of New Zealand Forest Products huge timber organization which has 176,000 acres of man-mad forests in the district.

The company makes wallboar and many other timber products and is now launching out infor the paper industry. It has installed big mills for kraft pully and paper at Tokoroa and the are on the point of beginning production.

IMPORTED EXPERTS

To set the industry under wa it has imported experts from several countries to carry out the key jobs and train staff recruited locally. Workers come from se eral paper-making countries, i cluding Australia, Britain and number of experts have been he
