Rush for Seats To Coronation

LONDON (CP) — Applications for seating accommodation to view the coronation procession of Queen Elizabeth II have been pouring into London booking offices although the date and the raute have not yet been deter-

Latest speculation is that it will take place either in the spring or early summer of 1953. Agencies report inquiries have been particularly heavy from North America with one agency alone asked to find more than 7,000 seats.

Not until the route has been officially designated will it be sunday, 2 TO 5 P.M.possible to estimate what accommodation will be available for visitors. Those lucky enough MONDAY AFTERNOON, 2 TO 5 P.M.to get ringside reservations will ? pay generously for the privilege. Most seats will cost between £10 and £20.

In lining up prospective customers some of the agencies are offering free refreshments as an inducement to reserve seats. For those taking the higher-priced spots a champagne lunch will be provided.
