Legion Auxiliary Completes Plans for Tea, Fashion Show

At the monthly meeting of the Legion Ladies Auxiliary, final plans were made for the tea and children's fashion show to be held this Wednesday May 13 in the Legion Auditorium.

Children's spring fashions and ladies' maternity wear from the Stork Shoppe will be shown.

Civil Servants Name Delegates To Convention

At the regular monthly meeting of the Miller Bay local council of the Amalgamated Civil Servants of Canada, the agenda of the forthcoming provincial convention, to be held at Chilliwack, May 22 and 23, was discussed.

The delegate from Miller Bay will be Ed. R. Green, for the last three and a half years a member of the nursing staff. Also attending the convention is R. C. Edwards, of the Department of Fisheries, representing the Prince Rupert local council, and H. W. Hensel of the Port Hardy-Sandspit group.

The meeting discussed resolutions to go before the convention, affecting the government services in this area, and endorsement was given to delegates to press for the general adoption of the 40-hour, five-day week, within the service; in line with the policy being adopted by industry generally.

Mrs. Drake closed her talk by stating that "members of the Catholic Women's League march forward, as auxiliaries to our bishops, radiating Christian principles and ideals into the society in which we live, rendering an endless chain of service for God and Canada."

Mrs. Brebner thanked Mrs. Drake for her address, then on behalf of the ladies, presented her with a beautiful corsage.

Tea was then served. The tempting refreshments were works of culinary art. Mrs. Fleming was responsible for the decorations and refreshments.

Mrs. Drake will be shown about the city by members of the CWL and will attend an executive meeting of the league at the home of Mrs. Brebner this afternoon. Later she will be entertained at the home of Mrs. Bert Young.

She plans to visit Terrace during her stay and will address a general meeting of members of the CWL in Annunciation Hall on Wednesday night.

200 Attend Verna Dudoward Wedding Here

A charming wedding took place at the First United Church here recently when Verna Dudoward and Barry Helin were united in marriage.

The bride was given in marriage by her father, Mr. Fred Dudoward of Port Simpson. Maid of honor was Mrs. Adeline MacDonald and bridesmaids were Miss Bernice Ryan and Miss Ruby Dudoward.

Best man was Larry Helin, brother of the groom and ushers were Vern Dudoward, Artie Helin and Thomas Pifford.

After the wedding, the couple left on the "Cape Bathurst" for Port Simpson where a reception was held in the YPEA hall. About 200 guests and the Port Simpson band were in attendance.

Breakfast Club Members Name Delegates to Meet

Convention and conferences were the main topics of discussion Saturday morning at the regular meeting in the Broadway Cafe of the Credit Women's Breakfast Club.

Jocelyn Bolton of Rupert Motors and Catherine Laurie are to be club representatives to the 20th annual convention of the Pacific Northwest Council of Credit Women's Breakfast Clubs to be held in Victoria later this month.

Door prize for the convention has been donated by Rupert Motors.

Dorothy Lugin and Diane Kennedy have done a lovely job on the scrapbook. This beautiful book, leather bound and carved, giving in detail the activities of the club since its founding, will be entered in competition with other scrapbooks from other Breakfast Clubs in the Pacific Northwest.

"Fish Tales," the Prince Rupert club's monthly bulletin, is also going to be entered for judging. Going to the convention too is the shield donated and made by Mr. S. Hunter of Rupert Motors. This highly polished, beautifully made shield is to be on display in Victoria. It has been in the Broadway Cafe dining room since it was donated to the club by Mr. Hunter.

Made from mahogany and polished to a high lustre, the shield has superimposed upon it the Globe, the Book of Knowledge, the Links and the Stars. The shield stands for the protection of employers and customers in the world of credit; the globe shows that the club is international in scope; the

book means that knowledge of the job is paramount; the links symbolize the friendship that exists between clubs around the world; and the stars are symbolic of the ideals toward which the club is striving.

The shield is a material witness and a lovely tribute to the aims and objectives of the Breakfast Club.

Catherine Laurie of the Credit Bureau conducted the meeting in the absence of President Jocelyn Bolton. Birthday corsages and best wishes went to Maresa Windle, Joan Mintenko and Rusty Thain.

A "welcome" corsage was presented to a new member—Eleanor Botsford of the Credit Bureau.

Plans for the "Bosses' Breakfast," to be held in June, are well under way with Betty Saville of Sweet Sixteen as the chairman of this committee. Mr. W. C. R. Jones of Columbia Cellulose is to be guest speaker.

ROSS L. DOBBIN, M.E.I.C., president-elect of the Engineering Institute of Canada, will represent the association at the Coronation. Mr. Dobbin will succeed Dr. John B. Stirling, M.E.I.C., as president of the Institute at the 67th annual meeting in Halifax, May 20-22. Immediately following his induction he will fly to London. He has been allocated a place in Westminster Abbey for the ceremony.
