

ELIZABETH WEISTRON of New York City, winner of a pipe sculpture contest, turns to some new work after the \$1,000 prize. This time her two children, Betsy, six, Debbie, four, were the models. The youngsters helped their mother win the contest by giving her sculptor's tools on birthdays, Christmas and other holidays.

Paul-Pottle Rites Held in St. Andrew's Church

Joyce Edith Pottle, daughter of Mrs. Alice Paul, 704 McBride Street, and John Gardiner Paul, of Mr. and Mrs. John Paul, 118 Ninth Street, were recently united in marriage in St. Andrew's Cathedral.

The marriage by her father William Pottle, the groom's father, was a charming affair. The bride wore a tulle dress of nylon over tulle with a strapless bodice and tulle bolero. A veil was held in place by a halo of seed pearls.

The ushers were Mr. Dave Blackhall and Mr. Norman Shenton, and acting as servers were the Misses Marjorie Way, Joan Anderson, Kay and Doreen Paul, and Mrs. Irene Mitchell.

The bride's mother wore a white nylon print dress, and the groom's mother, a black and white dress. The bride's accessories included a corsage of pink roses.

The reception was held at the Ball Hall. A three-tiered wedding cake on a lace-covered table was attractively decorated with pink and white flowers and pink candles.

Wilted Lettuce Recommended As 'Favorite'

OTTAWA (C)—When the department of agriculture, consumer section, starts recommending "that old fashioned favorite wilted lettuce" — it's time to investigate.

But wilted lettuce they said and wilted lettuce they mean.

And here's the recipe which should serve six:

Six slices chopped bacon; one half cup chopped onion; one-third to one-half cup vinegar; 1 teaspoon sugar optional; 10 cups leaf lettuce, 2 quarts, broken into large pieces; salt and pepper to taste.

Cook the chopped bacon until it is crisp and brown. Add chopped onion to hot fat and saute the onion until it turns yellow. Now add one-third to one-half cup vinegar, depending on how tangy you like it and add the sugar, if desired.

When the vinegar is heated, add half lettuce, cover pan and cook until the lettuce is just wilted, but no longer.

Season with salt and pepper and serve hot.

Coronation Tea Held By Women's League

A well patronized Coronation tea party, given by the Catholic Women's League, was held yesterday at the home of Mrs. M. P. McCaffery where each room had been tastefully decorated with portraits of Their Majesties.

Mrs. A. Brebner and Mrs. McCaffery received the guests and Mrs. R. Brett acted as cashier. The cooking was done by Mrs. R. Fleming and Mrs. V. Garon.

Also working hard but enjoying themselves were Mrs. G. Fabey, Mrs. G. Wells, Mrs. D. Rowse who were serving, and Mrs. H. T. Roos and Mrs. S. Amour who were pouring.

The door prize, a ham, was won by Larry Bond, and the second prize of a Coronation plate, went to Mary Astoria.

FLUFFY, the kitten, wants everybody to know about her special feet, so she climbs up over a plate-glass tabletop to show that she possesses an extra toe on each tiny foot. Owned by 12-year-old Pat Moorhead of Kenilworth, Ill., the kitty will be a real terror with 24 claws when she grows up. Right now, though, she's just a cute ball of fur.

Keeping YOUR Dollars at Par

One of the most difficult problems facing today's earners is concerned with the difficulty of buying dollars for future use which will, when used, still be worth the dollars that are paid for them today. We suggest that prudent investing in Canadian Investment Fund will go a long way toward solving that problem. Canadian Investment Fund represents a constantly supervised interest in over 60 of Canada's strongest companies. C.I.F. pays regular quarterly dividends based on the earnings of those companies. These dividends are automatically attuned to the real value of the dollar at any time they are paid out. Investing in C.I.F. is one of the surest ways of making sure the dollars you save today are worth the dollars you will spend in your later years.
