SAN FRANCISCO (AP) — Bobby Brown, a one-time \$35,000 bonus baby who used his New York Yankee pay to put himself through medical school, is back home after 19 months far eastern army duty.

But he hopes to put in two months as a Yankee third-baseman before he quits baseball for medicine.

"If the Yankees want me until July 1 I am ready," said 29-year-old Bobby.

## Base-Stealing Redbirds Within Game of Top Spot

By BEN PHEGAR  
Associated Press Sports Writer

St. Louis Cardinals are stealing their way back into the National League pennant picture. Running bases with an abandon no Redbird team has shown since the last St. Louis flag winner in 1946, manager Eddie Stanky's club has moved to within a game of the top.

In 12 games the Cards have stolen 12 bases. They need only half a dozen more to equal their total for the entire 1953 season, but Stanky claims there is no radical difference between the base running tactics of the 1954 outfit and last year's club.

A steal figured directly in the result of Wednesday's game when the Cards edged Brooklyn 8-5 in 10 innings. Bonus baby Dick Schofield, running for Ray Jablonski who had walked with two out, stole second on pitcher Jim Hughes' and rode home on Steve Bilko's single.

Stan Musial of the Cards collected two singles and a double, driving in two runs as he raised his average to .358.

The defeat, Brooklyn's second in a row in St. Louis, dumped the Dodgers into a third-place tie.

Cincinnati Redlegs, who replaced the Dodgers at the top Tuesday, stayed there with Wednesday's 8-4 verdict over Pittsburgh Pirates. New York Giants moved into a tie with Brooklyn by nipping Milwaukee 3-1.

Rain and bad weather caused the other five scheduled major league games to be postponed.

Spectacular relief pitching by little Jackie Collum preserved the Cincinnati victory.

Ruben Gomez pitched six shutout innings and drove in the first New York run at Milwaukee before leaving the game with a wrenched back.

## ROD AND GUN CLUB DRIVE FOR MEMBERS UNDER WAY

Prince Rupert's Rod and Gun club's drive to swell its ranks is well underway and club officials hope that whole families will take the opportunity of taking out a family membership.

More than 100 letters have been mailed out by Betty Martin, secretary of the club, over the signature of Tona Armstrong, chairman of the membership committee, listing the benefits that can be derived from belonging to the local group of sportsmen.

High on the projects planned by the club is development of the Lake Oliver area where a new clubhouse will be built, a trap shooting and 22 rifle range constructed and instruction in fly fishing will be given young sports people under 18 years.

"Family memberships are the backbone of enthusiastic organizations," president B. J. Bacon said today.

## Hard-Up Calgary Ball Club Ready to Try Second Season

This is one in a series on the Western International League, written for the Canadian Press by the sportswriters who follow the teams throughout the season.

By RAY QUAY  
Calgary Herald Sports Writer  
CALGARY (CP)—The Committee room battles were of more interest than the possible playing material for Calgary's Stampede of the Western International Baseball League during the past few months.

The men who gained a league franchise for Calgary last year had a rough financial time, dropping a reported \$80,000 including purchase of players and all equipment needed for a first-year operation and were leery of making another stab at it.

It wasn't until a special league meeting was called a few weeks back that the officials made up their minds and decided to try again.

Revising some of last year's plans, the officials appointed local men as business manager and public relations officers and will try twilight baseball. The park in Calgary is located near the Bow River and even on a warm summer night it gets chilly shortly after night games get under way.

Officials also remembered that in the old days, when flood lights still were a thing to come,
