

Shooting Deer Out of Season Brings \$100 Fine For Native

SMITHERS—Maximum penalty of \$100 and costs or 45 days was handed down by Supendary Magistrate O. H. Hoskins Tuesday to Arthur Tom, native Indian of Quick for infraction of Game regulations April 6.

Tom pleaded guilty to a charge of shooting a doe deer during a closed season. Charge was instigated by Game Warden L.

Cox on information from government predatory hunter A. Fletcher.

In the course of his duties Fletcher found fresh bloodstained snow and followed the tracks to remains of carcasses. A buck deer and a doe the morning of April 7. He reported to Game Warden Cox and subsequent search of an Indian settlement near Quick, 25 miles east of Smithers, revealed large quantities of meat, mostly moose. Much of the meat was in a state of decay.

Fresh blood was found on the floor of the dwelling of Arthur Tom.

Tom told court he was hunting coyotes at 7:30 p.m. April 6.

He fired in the dark only to find he had shot two deer. He claimed he did not know what he was shooting at when Magistrate Hoskins confronted him with possibility that it might have been a man.

Bulkley Valley Rod and Gun club recently made recommendation for a closed season on deer in the district because of rapid decrease in numbers.

Barbara Brent's BUYS AND WHYS A WEEKLY INFORMATION SERVICE

MONTREAL, April 9th—In love with your new Spring hat? You'll look very pretty in it if you're feeling fine and dandy. And I know a sure cure for that sluggish, "early Spring" feeling. I'm just one of the many who find that a daily glass of lemon in water, taken first thing on arising in the morning, helps the system regulate itself. Lemon in water alkalizes and aids digestion. There's none of that unnecessary irritation sometimes caused by harsh laxatives. This natural, fresh fruit drink is good for you—it's full of Vitamin C. But—do be sure to insist on SUNKIST CALIFORNIA LEMONS. Their full-flavoured juice makes all the difference.

Here's A Gift For You! A wonderful gift that you'll find will be a big help to you in your sewing. It's a special set of leaflets "What to Know About Slide Fasteners", prepared for you by the Lightning Fastener Company Limited. Want to know how to get that "professional look" when you sew in your zippers? These leaflets will tell you exactly how. Easy-to-follow instructions, with illustrations, show the "tricks of the trade" that guarantee you a wrinkle-free job every time. Yes, there are dozens of tips in these leaflets to help you. So be sure to write to me—Barbara Brent, 1411 Crescent St., Montreal, P.Q.—for your FREE SET of leaflets today!

Baby's Getting Quite grown up, thanks to the good nourishment of Heinz special foods for babies. And now it's time to begin giving him the exciting variety of HEINZ JUNIOR FOODS. What a thrill for him to begin on almost-grown-up fare... good things like Junior Vegetables, Lamb and Liver, Junior Vegetable Fish Dinner, and Junior Creamed Tomato Vegetables and Rice. Incidentally, these Junior Foods make wonderful soups for the pre-school age child. Until your youngster is five or so, it's usually a good idea to give him soup in more mildy seasoned form. Because of their milder seasoning, all the Heinz Junior Foods are kind to tender young tummies.

How Thick Should A Tissue Handkerchief Be?—Two ply?—Three ply? That's a matter of how it is to be used. But only FACE-ELLE offers you a choice of 2 or 3 ply tissues. So remember, it's Face-ELLE 2-ply in the GREEN box and Face-ELLE 3-ply in the extra big Face-ELLE for Men size and Face-ELLE En Pastels. You'll always appreciate the super strength and absorbency which only a 3-ply tissue can give you. But you'll want it especially when you have a heavy head cold. It's made of a pure, soft-fibred cellulose so it's non-irritating to even the most sensitive nose. And actually it's an economy to use 3-ply Face-ELLE because I've found you use fewer of these super absorbent tissues. Try it once and you'll agree that it's "one of the better things of life!"

With A Happy Hint of Spring in the air, it's just the right kind of a day for a walk. But walking's no fun when a painful corn (or callus) has you tense and frowning. So take my advice... try new BLUE-JAY Corn Plasters with Phenylum. That's the new medication that gets under your corn and helps push it out from underneath. The first really new medication for corns and calluses in over seventy years. In actual tests, Phenylum went to work 33% faster, worked 35% more surely than any other leading remedy. Easy to see why three out of four corn sufferers say it's the best new in years! You'll agree!—ask for Blue-Jays with Phenylum at your favourite drug counter today.

No More Wash-Day "Let-Downs" For Me. Now when my wash is done, it's not only clean, it's sparkling white... truly a "dream wash". And you know the simple secret? Just use Blue. Yes, it's easy to get sparkling white sheets, towels, pillow cases and table linen when you use Blue. You and I know you have to rinse clothes clean, then it's simple to put a dash of Blue in the water to get them really white. Blue is kind to your finest fabrics—you're not taking chances when you use it to get your washings snowy white. And the cost? ... A few pennies a month, that's all. Yes, for the whitest wash, use RECKITT'S BLUE.

A Letter From A Reader Says "I'm so glad I read about Zonitors in your column. It's difficult to find out about the best method of feminine hygiene as it's not a widely discussed subject. I'd just like to say that Zonitors are as effective as I'd hoped they'd be! Yes, thousands of women are finding ZONITORS the most satisfactory method of feminine hygiene. These greaseless, stainless, snow-white vaginal suppositories are dainty, convenient—powerfully germicidal—yet absolutely safe to delicate tissues. For further helpful facts on the important subject of feminine hygiene—simply write to me—Barbara Brent, 1411 Crescent St., Montreal, P.Q.—and I'll send you a free booklet in a plain wrapper."

THIS GEORGIAN-STYLE CHAPEL is on the campus of St. Francis Xavier university at Antigonish, N.S., founded in 1853 as a theological college out which has gained international fame for its leadership in the field of co-operative enterprise. Accommodation for 750 worshippers is provided in the chapel, completed in 1948. The basement is used as an auditorium.

Prosecutions Ordered In Paper Combine Case

OTTAWA—The justice department has ordered prosecutions launched in an alleged combine in Canada's fine paper industry, Justice Minister Garson announced in the Commons.

Existence of the combine involving 44 manufacturing and merchandising firms from Halifax to Vancouver was charged in a report made to the government last November by combines commissioner T. D. MacDonald. Mr. Garson said the question of whether prosecutions would be justified has been under study for the last few months by Norman L. Matthews, QC, of Toronto.

Mr. Matthews found that the evidence justified prosecution of "some or all of the manufacturers and some or all of the merchants," the minister said.

The minister added the nature of the prosecutions to be launched has not been determined. The combines report named seven manufacturers of fine papers—those making such products as stationery and book and magazine papers—and 37 companies merchandising these items.

He alleged the group employed "loyalty discounts" to restrict competition and combined to fix prices.

First Aid Centre Planned For Smithers

SMITHERS—A St. John First Aid centre for Smithers district took form with election of G. H. Beley as chairman. J. R. Nicholson was elected vice-president; Mrs. G. L. Charleston, secretary-treasurer. Executive members are Mrs. J. F. MacDonald, S. A. Breidahl, W. D. Yorke-Hardy and C. M. Peterson of Telkwa.

A resolution will be forwarded to the provincial secretary of the St. John Ambulance Association at Vancouver for formation authority.

The district is requested to be the same as Smithers school district No. 54 which takes in an area of the Bulkley Valley from Moricetown to Houston.

Purpose of the centre is to organize and provide instruction in first aid to sick and injured, home nursing, hygiene and sanitation as an aid to medical practitioners in time of peace or war.

Cabinet Authorizes Damming Project on Butte Lake

VICTORIA—The provincial Cabinet has authorized B.C. Power Commission to proceed with damming of Butte Lake and construct two new hydro-electric plants in the province.

Authority for the three moves was given by order-in-council.

The order respecting Butte Lake includes 12 special conditions for preserving the aesthetic value of the lake which were recommended to the last session of the Legislature by the special committee which investigated the dam proposal, and recommended that a dam be allowed.

The two power plants which the Cabinet has authorized will be located on the Puntledge River, near Courtenay, and at Spillmacheen, in the Rockies.

There may be some opposition to the Cabinet move authorizing the Butte Lake dam.

In some minds there is a question of whether the Cabinet has authority to make such an order.

While the special legislative committee filed its report with the House before it prorogued, the report was never considered by the House.

Opposition Leader Harold Winch had a motion on the order paper to have the House consider the report in committee of the whole but the House dis-

Smithers to Get Funeral Home

SMITHERS—Construction of a \$15,000 funeral home will be started early in May providing this village and district with up-to-date undertaking accom-

modation, it has been announced by P. B. Emerson. Evergreen Funeral Home is operated by Mr. Emerson's son C. P. Emerson.
