### Bedtime Snack solves laxative problem

"Constipation made me sullen all day. What a change since I started to use ALL-BRAN regularly! Even my wife notices it!" writes man from Ville Montmorency, Que. If you suffer from irregularity due to lack of bulk, try a bowlful of this toast cereal every night before bed. It may bring back the youthful regularity you thought long lost. ALL-BRAN is the only type ready-to-eat cereal that supplies all the bulk you may need. It's high in protein and iron. Not habit-forming. Kellogg's is so sure you'll like ALL-BRAN that if you're not completely satisfied after 10 days, send empty carton to Kellogg's, London, Ont., and get

had to do to maintain its serv- the railway. "When engine power can be

developed from the atom, you can be sure that the railways will use it," he continued. "They have been quick to take advantage of technological advancements and have inspired many of them. Wood gave way to coal which is now being supplemented or suplanted by oil and electricity. Main line rail has risen from 55 to 130 pounds to the yard and will be increased to 132 pounds. Automatic signals are replacing train orders as fast as the railways can afford to instal them. More and more mechanization is being used in the handling of freight and for the maintenance of roadbeds. Air conditioning and modern equipment is general to all principal services with their meals on wheels, bedrooms, c- mpartments,

"Fast freight train schedules are scientifically drawn up so that one is tied to the other all
