## Communication. Network Next Goal of NATO

By JOHN RODERICK

**PARIS (AP)—**Reliable informants  
said today that the North At-  
lantic Treaty Organization, with-  
in sight of its goal of 160 jet  
airfields, will concentrate this  
year on laying a communications  
network to link the bases and a  
web of pipelines to supply them  
with fuel.

The sources said the December  
NATO ministerial meeting voted  
approximately \$224,000,000 for its  
1954 "infrastructure" program,  
the building of permanent in-  
stallations needed to support  
NATO armed forces. The bulk of  
the sum will be used for the  
communications and fuel supply  
systems.

The airfields are almost all  
completed, and 120 are in opera-  
tion.

The United States will contri-  
bute about 38 per cent of the  
amount spent on NATO installa-  
tions.

Details of the building pro-  
gram for 1954 have not yet been  
published but it is reported to  
include two 10-inch fuel lines in  
France. One would start at the  
Mediterranean port of Marseille  
and follow the Rhone river valley  
about 350 miles north to the  
Dijon area, where it would serve  
NATO airfields. The other would  
start at the Atlantic coast port  
of Le Havre. Its terminus has  
not been revealed.

## BUILD PIPELINE

**NATO said last September**  
that it was starting then to build  
1,875 miles of pipeline over nine  
western Allied countries. The  
system would be for the use of  
all 14 NATO members.

This network would be linked  
to the 400-mile line the U.S.  
plans to build across France to  
West Germany. This line, for  
the sole use of the U.S. and  
France, will start at Donges, on  
the French west coast, near St.  
Nazaire, to span the country to  
Metz, close to the German border

## Interior Pioneer Dies Suddenly

**BURNS LAKE —** One of the  
pioneer homesteaders of East  
Ootsa Lake, John Anderson died  
suddenly here.

He had been a resident of  
Burns Lake for many years, fol-  
lowing his homesteading days,  
and was active with the Seventh  
Day Adventists here.

Funeral service at the United  
church and graveside rites were  
conducted by Brother Johnson  
of Babine Lake and Elder Harry  
Dodds of Prince George. Many  
friends from Marilla, Ootsa,  
Francois, Burns, Decker and  
Babine lakes attended.

Pallbearers were W. J. Mc-  
Kenna, Gordon Rush, Burns  
Hunt, Larry Curston, C. Chad-  
wick and John Best.

## Agency Established To Rent Girls Dresses For Wedding

**MONTREAL (CP) —** The high  
cost of getting married has  
brought with it in Montreal a  
new era of "Cinderella" brides—  
complete with wedding dresses  
that must be returned after the  
ceremony.

Managers of rental agencies,  
who will provide everything  
from veil to shoes for the big  
day, are welcoming the change.  
They say the rental business is  
on the upswing. One agency  
claims it outfits more than 30  
brides a week during the sum-  
mer months, when cupid is at  
his busiest.

Most customers are working  
girls who don't want to pay the  
\$200 or \$300 needed to buy a  
wedding dress. The agencies say  
they can serve the same pur-  
pose at less than half the cost.  
And since few dresses are used  
again after the wedding day the  
bride can save up to \$250.

## FAVORITE COLOR

Cost of renting a dress varies  
with the number of times it is  
used. If the girl has a particu-  
lar style in mind and wants to  
be the first to wear the dress  
the agency will make one up  
for her and charge from \$50 to  
\$100. Shoes, veil and all other  
accessories are included in the  
rental price.

For the second and third cus-  
tomers the price drops to \$25 or  
\$50. Bridesmaids' outfits can be  
rented with a \$15-25 price  
range.

White is the favorite color  
among the customers. The

**LONDON (CP) —** Passengers at  
London airport were startled  
when a voice from a loudspeaker  
boomed "This is rocket ship Lu-  
nar calling from outer space."

microphone.

## Linzey Lauds Jaycee Work As New Officers Installed

Praise for their community ac-  
tivities in the past 10 years was  
given members of the Prince  
Rupert Junior Chamber of Com-  
merce at their installation of  
officers and first 1954 meeting  
last night.

Phil Linzey, president of the  
senior chamber installed the  
Jaycee officers, reviewed their  
many community-boosting pro-  
jects over the past 10 years and  
urged them to continue those  
projects and launch more in the  
future.

The Jaycees planned a Valen-  
tine's dance to be staged Feb.  
13 in the Legion hall, to raise  
funds for 1954 projects.

They also approved tentative  
plans to arrange a Jaycee car-  
avan starting here, bound for the  
annual provincial convention at  
Penticton in May. Len Liebert  
was appointed to arrange for  
the caravan which will pick up  
Jaycees in Terrace, Smithers and  
Prince George enroute to Pentic-  
ton.

W. C. Hankinson, manager of  
CFPR, will be asked to hold ef-  
fective speaking classes for in-  
terested Jaycees in the next few  
months. At least one-third of

the membership is interested in  
such instruction. Fred Aston was  
appointed to approach Mr. Han-  
kinson.

The junior chamber also is  
making arrangements to train  
members to produce the Jaycee  
radio program which was dis-  
continued last summer.

The meeting also heard annual  
reports by outgoing officers.
