Gyro Club's Installation

Impressive and Friendly Proceedings Aboard Coastal Liner.

With popular International Vice-President Jack Ryan of Nanaimo here to conduct the proceedings with the assistance of Gerald Barry, a past district governor, also of Nanaimo, installation of 1952 officers of the Prince Rupert Gyro Club took place last night at a delightful dinner-dance social affair aboard the steamer Prince George. The principal Gyro precept of jolly friendship permeated the event which was attended by some 130 persons — Gyros, Gyrettes and friends. Representatives of the city and fellow service organizations were also on hand to extend greetings and laud the Gyro Club for its long and continuing record of public service.

Following a reception in the ship's recreation room, the gathering proceeded to the dining saloon, where the cuisine department of the coastal liner excelled itself with a splendid dinner.

Ballroom A was then the scene of the remainder of the evening's proceedings.

Greetings from the city were conveyed by Acting Mayor George Hill, with President Fred Seaden of Rotary and President Stan Saville of Kinsmen bringing brief messages from their organizations.

Remarks of the retiring president, Don Forward, brief and to the point, were followed by Mr. Ryan's installation.

INSTALLATION

After an address on the cardinal principles of friendship which were so notably exemplified by the Prince Rupert club, which had come to be known as one of the strongest and finest in the district to which it belongs, Mr. Ryan invested the following in office:

President—Marc Gornely.
Vice-President—Alf Large.
Secretary—Scott McLaren.
Treasurer—Ted Boulter.
Directors — Allan Armstrong, Emil Blain, Dr. Geddes Large, Ben Parker, Frank Skinner and A. D. Vance.

Mr. Ryan also appealed to the local club to interest itself in promotion, mentioning Ketchikan in particular.

The new president, Mr. Gornely, pledged his best efforts to get in the groove and make the coming year an active and useful one, in keeping with the past history of the club.

NEW MEMBERS

Another impressive incident of the evening was the initiation by Past District Governor Berry of three new local members — Dr. Duncan Black, Ted Cuthbertson and Dr. Hector MacDonald. Mr. Berry also invested Don Forward with a past president's emblem.

Dancing, with music by Mrs. Nora Thompson, was enjoyed until midnight. W. F. Stone and J. W. Scott comprised the committee in charge.

Present were: Mr. Ryan, Mr. Berry, Mr. and Mrs. Marc Gornely, Mr. and Mrs. E. D. Forward, Acting Mayor and Mrs. George Hill, Mr. and Mrs. Stan Saville, Fred Seaden, Mr. and Mrs. C. P. Actionful Melodrama

Macao, sinful and lawless, a gold smuggling port on the coast of China, comes to life in a vivid technicolor film, "Smuggler's Island," which shows a week-end at the Capital Theatre with Jeff Chandler and Evelyn Keyes in the starring roles.

It is melodrama from Macao, highlighted by tremendous explosions at the performance of a mantic team which mangle and embroider the action with the mance in realistic fashion.

The story concerns the charge of a young American diplomat, sloop-owner to transport a \$200,000 cargo of illegal goods from Macao to Hong Kong at the request of a beautiful lady in trouble.

Philip Friend, British star, Marvin Miller head the supporting cast of "Smuggler's Island."

LIVELY AMPHIBIAN

The swamp rabbit family, the lower Mississippi River, ley has webbed feet and excellent swimmer.

EARLY BARBERS

The Romans were beards the 3rd century B.C., while Iulus Tichinus Mena brought bers from Sicily.
