COOKS
 The Canadian Army offers outstanding opportunities for trained or untrained cooks. Experience is an asset, but if untrained, the Army will send you to a fully equipped catering school where you will receive practical experience and learn the theory of modern cooking. When trained you will be posted to Army establishments in Canada or overseas. If you would like an Army career in catering, investigate this NOW!

CLERKS
 The Canadian Army has many openings for young men as clerks. You will be trained in all types of office work—bookkeeping, accounting, costing. You will learn typing. You will learn to keep records and ledgers for supplies. You will be trained to maintain stocktaking records.

If you are interested in office work then there is a career for you in the Army.

To be eligible, you must be 17 to 45 years of age, if you are a trained cook, or trained clerk, 17 to 40 years of age if untrained. There is every chance for promotion in the Army with good pay, pension plans, 30 days annual leave with pay, free medical and dental care, and the chance to travel.
