**"DISAPPEARING" MONEY
PUZZLES SEATTLE POLICE**

SEATTLE (AP)—John E. Trimmer reported to police
that before retiring last Wednesday night he put \$40 in
his sock, bolted the door of his apartment from the inside, put
the sock on his foot, climbed into bed and went to sleep.
When he woke up in the morning, he reported, the \$40
was gone but the sock still was on his foot.

TWO YOUNG WINDSOR, Ont., architects received congratula-
tions on their winning entry in the Windsor centennial festival
committee contest for design of a new civic auditorium. Douglas
C. Johnson, 30, (centre) and his partner, Cunningham S.
McWhinnie, 29, (right) display the prize-winning design as they
are congratulated by George D. Gibson, chairman of the board of
judges. The two did not know they had won the \$10,000 prize
until the committee summoned all seven competing firms to a
meeting when sealed envelopes were opened. If the auditorium is
erected, the \$10,000 will be part of the architects' fee. If the
building is not built, the award will be made in cash to the firm.

ANCIENT MEASURE The bushel as a dry measure is based on the old English Win-
chester bushel of 2150 cubic inches.
VEGETARIAN BEAR The panda bear, native to the Himalayan mountains, is an al-
most exclusively vegetarian animal.

**28 Killed
In Tornado**

VICKSBURG, Miss. (AP)—
Rescue workers in tornado-bat-
tered Vicksburg today resumed
search for more victims of the
death funnel which killed at
least 28 persons.
Dawn brought the noise of
steam shovels, bulldozers and
hoes after a heatless, shiver-
ing night for the 28,000 residents.
The most serious cases among
the 230 injured were crowded
into Vicksburg's four main hospi-
tals, warmed by blankets and
electric heaters from the city's
homes.
Civil defence and military
leaders estimated the damage at
\$25,000,000.

President Eisenhower declared
the city a disaster area Sunday
night authorizing emergency
funds to help rebuild 12 blocks
of stores, homes and warehouses.
One-fifth of the city was
without electricity. All of the
city was without natural gas, the
only heating and cooking fuel
for most homes. The tempera-
ture dropped to 44 in the city
and was near the freezing point
in the suburbs.

The paper machine is a marvel
of large precise mechanism.

**Gold 'Smuggler'
Held in Manila**
MANILA (AP)—Customs au-
thorities said they arrested a
China-born Canadian today on
charges of trying to smuggle 22
gold bars worth about \$17,500
to Hong Kong.
They identified him as Wil-
liam Ernest Joffilee, a 37-year-
old business man.
He was released on \$5,000 bail
after being charged with at-
tempt to smuggle.
