

OF WINNERS—These Canadian-bred three-year-olds won their respective divisions of the trials, the six-furlong tune-up for the Queen's Plate to be run May 24 at Toronto. Left, owned by E. P. Taylor of Toronto, led from barrier to wire to win handily in a and 13 seconds, fastest time of the three sections. Latin Lad, centre, from the Gardens of Niagara Falls, Ont., won the first division in 1:13 1/5. Dress Circle, right, by Mrs. E. P. Taylor, came from last place to win her division in 1:13 2/5. The 93rd of the Queen's Plate is at a longer distance, 1½ miles, and some of the also-rans in may be heard from in the extra three furlongs.

Senators Hold Second Place With Triumph Over Brownies

American League: Washington 2, St. Louis 0; New York 4, Chicago 3.

NEW YORK (CP)—Chunky Connie Marrero pitched a four-hitter last night to give Washington Senators their fourth straight triumph over St. Louis Browns 2-0. It was Marrero's fourth victory against no defeats this season.

Veteran Johnny Sain weaker after a sharp start but clinched his fourth victory with a four-hitter as New York Yankees bashed Chicago White Sox 4-3.

Two American League games were the only ones played in major leagues. All four games in National League and two in the American rained out.

Browns, who have yet to gain a victory over Senators this season, got their bats in action only once after hits in first and second innings. They nicked Marrero for two hits in the eighth, putting men on second and third with two out, but failed to make use opportunity.

Washington made use of league-leading Cleveland's idle

less to climb into undisputed first place, with game ahead of them, and two game behind the Indians.

WOULD YOU SIGN A BLANK CHEQUE?

The Plebiscite to be taken on Election Day, June 12th, is not an open and shut proposition.

It is not a prohibition issue.

In effect, if you vote "Yes" you are giving the next Government of the Province of British Columbia free rein to open bars in any area in the Province where there is a "Yes" majority.

Liquor by the glass is sold in British Columbia now. The real issue is "Where" and "How" will it be sold in future. The Plebiscite, as it is worded, doesn't give you the chance to record your views. Vote "No" until you know.

The Alcohol Research Council, a group of public spirited citizens, including educators, doctors and businessmen, feel that a thorough study should be made on the alcohol distribution system before a "blank cheque" is signed. Anything can happen under a "Yes" majority.

Granted, the present liquor distribution system is not satisfactory but before a change is made, the very best method of distribution should be arrived at for British Columbia.

The sale of alcoholic beverages is not comparable to the sale of food—its method of distribution can have a positive or negative effect on the community as a whole.

Vote "No" on June 12th—vote "No" to the "blank cheque" Liquor Plebiscite!
