Statement On Flying

Non-essential Use of Gas To Be Cut, Howe Tells Applewhite

RE Hon. C. D. Howe, minister of defence production, was requested today by E. T. Applewhite, (Lib-Skeena) in view of the present situation in the United States, to make a statement on the gasoline and oil situation in Canada.

Mr. Howe stated it was not expected Canada would be seriously affected except with respect to aviation gasoline which is now a matter of concern and restrictions are being placed on the consumption of aviation gas which has been declared an essential commodity under the Act.

The regulations will allow for special consideration for remote areas.

The minister said the government had asked that all non-essential flying be discontinued and that TCA schedules are being curtailed.

Operators are to hold down to 65 per cent of April consumption in the month of May.

Sees Grave Situation

But Truman Thinks Third War Can Be Averted

WASHINGTON (CP)—President Truman called the world situation very grave Thursday. He said Congress' move to cut defence spending and current labor management disputes are "right down Stalin's alley." But he added the flat prediction that a third world war will be avoided if Congress votes all he asks for the defence of the U.S. and its allies and industrial production can be kept at high level.

Truman offered these serious thoughts in a generally good humored press conference on his 68th birthday and seventh anniversary of Germany's military collapse in the second world war.

Indian Vets May Enter Clubs Now

VANCOUVER (CP)—War veteran Indians may drink beer in veterans' clubs. Attorney-General Gordon Wismer announced the ruling here Thursday. Previously war veteran Indians were allowed to drink in beer parlors as a result of the change but denied club privileges. The ruling followed protests from native Indian organizations which had charged discrimination in interpretation of the law.

Canadians Best Scotch Puck Stars

LONDON (CP)—Fourteen Canadian imports have been picked for the 1951-52 Scottish Ice Hockey Association's all-star teams.

The selections were made by a panel of sportswriters, referees, coaches and team captains. But the coaches and captain's couldn't vote for players on their own clubs.

Ayr Raiders, eliminated in the semi-finals of the playoffs, named five of their regulars on the first and second teams. Perth Panthers gained four places, while Falkirk Lions, SSHA champions, and Dundee Tigers each contributed two.

The teams (Canadian names in brackets):
First Team—Goal, Jack Sieman, Perth (Toronto); Defence, Annie (Red) Kurz, Dundee (Winnipeg); Herb Kewley, Ayr (Toronto); centre, Wilf Thrasher, Falkirk (Timmins); right wing, Orville Martini, Ayr (Calgary); left wing, Ernie Domenico, Ayr (Timmins); coach, Tom Forgie, Perth (Minneapolis and Dundee).

Second Team—Goal, Al Holliday, Ayr, (Weston, Ont.); defence, Bobby Burns, Falkirk (Toronto); Jack Douglas, Dundee, (Deep River, Ont.); centre, Andre Girard, Ayr, (Montagny, Que.); right wing, Ken Doig, Leach (Winnipeg); left wing, Bruce Hamilton, Perth, (Oshawa, Ont.); coach, Red Kurz, Dundee.

Paddy Ryan, who came to Dundee from Calgary, received strong support for a place on both teams and was accorded the special honor this year of being voted the league's all-star utility player.

In the individual polling, Martini, fourth in the season's goal-scoring race behind Domenico, Doig and Hamilton, headed the parade with a total of 40 votes of a possible 46.

FOOTBALL FARE

It has been hinted that the CYC with several players of European experience, will be superior in ball control. The locally developed team hopes to counter superiority, if it exists, in their usual bustling, driving game. There is no doubt that the recently arrived players have shown neat touches. It remains to be seen how effective their tactics will prove.

The General Motors, though losing in their first game, were fairly well satisfied with their showing. They need more team practice and this will come with more games and practices under their belt. They will also have Tommy Boulter in goal. He could not have saved either scoring shot in Wednesday's opener, but his presence will release Roue who might be a valuable asset in some other position. He usually plays in the forward or half-back line.

General Motors' Line-up
For their game tonight with the new entry in football competitions in the city the General Motors will choose from the following named players: Boulter; Price, Robinson; John Wilson, Eby (Captain); Len; Pat, Roue, Pat Wilson, Matthews, Murray; Bedford, Bowman, Olsen, A. Maron, P. Maron.

with Wembley, wound up a successful first year's campaign in Scotland, by topping the poll for the first team defence slot and gained the additional distinction of being named coach of the second squad.

It was the second successive year Sieman was picked as all-star goalie, but he emerged with a margin of only three votes over young Holiday. Previously Holiday had been voted the league's outstanding rookie of the year.
