TO BE FLOODED-Nine Ontario communities, in a stretch of about 40 miles upriver from Cornwall, will be swallowed up either wholly or partly by the St. Lawrence River in a project that will create 2,200,000 horsepower of electricity and float the world's ships into the Great Lakes. Biggest is Morrisburg with 1,575 people. Smaller communities that will be flooded out include Mille Roche, Moulinette, Wales, Dickinson's Landing, Farran Point, Aultsville, East Williamsburg and Iroquois. Here is an aerial view of Iroquois whose 1,000-odd residents are expected to relocate two miles east of the present site. (CP PHOTO)
