

Night Red Cross Drive Goals Again—Mark Made

second straight year, Prince Rupert
in its single-night, lightning Red Cross
over the top of its \$5,500 quota.

Volunteer canvassers last night
found "a good average" of city
residences open to them and
covered their areas in less than
three hours, local Red Cross
President Stan Saville said to-
day.

Final figure of this year's ap-
peal will not be available for
about a week, Mr. Saville said,
"but we are well over the top."

Clubs and organizations which
took part in the canvass, sup-
plying close to 100 volunteers
were Job's Daughters, Rotary,
Gyro, Kinsmen, Junior Chamber
of Commerce, Chinese Associa-
tion, the IODE and Women of
the Moose.

Canvassing was carried on by
volunteers at the theatres and
totalled \$198.

According to reports from the
volunteers, co-operation of the
public this year in the "one-
night stand" appeal was even
better than last year when
Prince Rupert's quota was \$500
less.

Returns are still to come in
from outlying districts, such as
the Queen Charlotte Islands,
coast areas, Port Edward and
Miller Bay.

Pioneers Leave Telkwa Area

TELKWA.—A group of friends
gathered at the home of Mr. and
Mrs. E. Widen on Saturday to
bid farewell to Mr. and Mrs. Jack
Clotworthy prior to their de-
parture to make their home in
Canoa.

The evening was spent in
story telling and reminiscences
of old days. About 20 friends
were present.

Mr. and Mrs. Clotworthy, who
have been here for the past 25
years, are old timers in the dis-
trict and will be missed by their
many friends and acquaintances.
Mr. Clotworthy taught school in
the old school house for a num-
ber of years until ill health
forced him to retire. They have
disposed of their farm and
equipment and left the early
part of the week.

B. Menzie read a short address
of farewell and Mr. Widen pre-
sented the couple with a suit-
able electric tea kettle and a
tea pot. A jolly good time was
had by all. Refreshments were
served by the hostess.

Telkwa Women's Institute Meets

TELKWA.—A good attendance
was present at the regular Wom-
en's Institute meeting on Tues-
day when 20 members arrived,
with Mrs. E. Widen and J. Clot-
worthy as guests.

The routine business was dis-
cussed and five letters of "thank
you" were read from overseas
parcels.

The receipts for March of
Dimes were picked up with the
sum of \$20 collected augment-
ed with an additional \$5 from
the Institute, making a grand
total of \$25 to be sent to the
Crippled Children's Fund.

It was decided to accept a
shipment of cotton dresses from
the Canadian Institute of the
Blind to help this institution in
this project and these garments
may be purchased from the
members of the Institute here.

Mrs. Les Donaldson and Mrs.
K. Chapman were named as a
committee to make some defi-
nite inquiries into the possibi-
lities of getting a permanent re-
sident dentist's services for this
part of British Columbia or re-
tain the services of the dentist
already established in Smithers.
The meeting was adjourned
and lunch was served by the
hostesses, Mrs. J. Clotworthy and
Mrs. Bates.

Honest Native Boys May Share Several 100 Unclaimed Dollars

"Finders, keepers; losers, weepers..." may be an adage
well illustrated here in about a month if a certain party or
parties cannot identify a "large sum of money" which has been
in RCMP custody for nearly a year and a half.

The money, which amounts to "several hundred dollars,"
was found on a downtown Prince Rupert sidewalk in October,
1950, by two young native boys who turned it over to the police.
No claim to it has since been laid, police said today, reviewing
the case.

And this is the last chance for a possible owner to identify
the exact amount and where it may have been lost. If no
claimant appears within 30 days, police say the money will be
turned over to the finders.

"It would be quite a sizeable reward for the honesty of
those lads," an RCMP spokesman said.

Didn't Trust Banks—Is Robbed of \$1,000,000

DETROIT.—Three former
house servants of a wealthy lum-
ber dealer who "didn't trust the
banks" were questioned today
in the disappearance of \$1,000,-
000 of securities from his home.

A strong box containing non-
negotiable stocks and bonds was
taken from a hiding place under
a closet shelf in the suburban
home of Melvin Guthrie, aged
52.

Actual cash in the box was
about \$500, Guthrie told the po-
lice.
