

## Sparring With Sandy

Bob Hennessy and Nick were arranging for a re-matching with the girls from the Terrace trundlers, who were to take along a girls team.

It was that when the girls went to Terrace, the girls won both matches while the men lost to defeat.

The men had doz-zenous—they blamed the smaller bowling team for the loss.

The girls made sure that they knew all about the ride home in the bus.

Clarence Dixon very much, he had a lot to be listened to explain the finer points of the game and one particular caught attention when she said she averaged 200, yet her four-game average was only 768.

Sanderson took a lot of ways. She not only won the game—100—came back to roll the game—251.

McKinn led all the her five-game count and there were plenty of jokes as she teamed with Pierce, Peggy and Claire Bellamy.

Sanderson, Bertha and Jeannie Warren, a formidable crew won by points from Marg Moe, Thomas, Dora Alger, Christiana, Winnie and Phyllis Apolizer.

Angland was the top Terrace girls on the team, smashing the count of 265 in game. She was bowled by Helen Bush, Betty and Doris Grabler.

## Plans Made to House Festival Participants

A number of out-of-town participants are expected by the Prince Rupert Music and Drama Festival Association, members were told at the monthly meeting presided over by Mrs. Earl Becker.

Mrs. J. W. Rogerson, in charge of billeting, reported she had made necessary arrangements.

Adjudicators' clerks were appointed: Mrs. F. E. Anfield, Sister Mary Lawrence and Henry Pluym. Mrs. J. C. Oikler was placed in charge of tuning pianos.

Mrs. W. S. Kergin reported on the work of the awards committee and asked the meeting to make a decision on types of certificates to be awarded this year.

The association decided earlier that certificates will be available so that contestants may pick them up immediately after their performances at the festival.

Mrs. Anfield reported the program was ready for printing. The meeting decided that advertisements would be placed to better advantage for advertisers than in the past.

It was decided that season tickets would be available for students, that pre-school children would be admitted free if accompanied by parents. Charlie Roberts, treasurer and F. J. Skinner, business manager, also made their reports.

We have a full slate of members ready for flying and instructor Vic McGuire is ready and waiting at the floats whenever old man weather co-operates.

Plans are being drawn up for a target bombing contest during the first part of May with an entry fee and prizes. Paper sacks of lime will be used as bombs, and the little island off the floats will be the target. This was held last year and was very popular with the students and pilots.
