

BAND MEMBERS and their leader, Fred Huber (centre) have come ways since the first few students of Booth Memorial High School band their instruments a year ago. But besides playing proficiently at events, the band appears at public functions and has even taken part. "These pupils have learned faster and are more enthusiastic

about music than any young people I've ever seen," says Mr. Huber. There is only one thing which troubles the music teacher and band leader. What will he do with the 30 applications he now has on hand from other students who want to join the band. There are no more instruments. Present instruments have been supplied through donations from volunteer groups.

Wedding Vows Exchanged In Lovely Floral Setting

Amidst a setting of flowers, lighted tapers and a peonie banked altar, Louise Delphine, daughter of Mr. and Mrs. Charles Peter Balagno, 325 5th Ave. West, was united in marriage to Wilfred Donald, son of Mr. and Mrs. Edward Whitehouse of Vancouver, last Thursday.

Ceremonies were conducted at 10 a.m. in the Church of the Annunciation by Rev. Father O. P. Mohan, O.M.I. Given in marriage by her father, the bride was lovely in an exquisite gown of ankle length, nylon tulle, featuring a bouffant skirt and tiny jacket over a softly folded strapless top. A ballerina wreath of small white blossoms which held in place the dainty half veil, was the bride's headdress. A bouquet of white gardenias and a white prayer book completed the ensemble. Bridesmaid, Miss Helen Balagno, sister of the bride, was her only attendant. Miss Balagno was gownned in a charming ankle-length frock of petal pink organdie over pink net. The ensemble was enhanced by the ivory crown headdress and bou-

Legion 27 Pays Tribute To McGregor

It was with deep feelings of regret that the members of the Canadian Legion Branch 27 learned of the death of their honorary vice-president, Col. John McGregor, VC, MC, DCM. Colonel Jock, as he was familiarly known to all had been honorary vice-president of the local branch for a great many years and took a keen interest in the affairs of the Canadian Legion even though he made his home in Powell River. He was present at the opening of the new Legion headquarters and took an important part in the opening ceremony. Some months ago he wrote a letter to the members of the

branch and at that time told of his lingering illness. He was beloved and respected by all and no more fitting compliment could be paid to his memory than to say he was a good leader among men and his memory will never fade in the history of the Prince Rupert branch. Flowers were sent from the branch as soon as it was learned of his passing and a suitable message of regret has been forwarded to his widow from President Alex Haig on behalf of Branch 27. A moment of silent tribute to

Delicious Strawberry Jam in 15 minutes from the time your fruit is prepared

COMPARE THESE TWO METHODS

WITH CERTO	THE OLD WAY
1. Mrs. A. makes jam the short-boil way with CERTO. She has 2 pounds of fruit prepared ready to start at 9 o'clock.	1. Mrs. B. makes jam the old-fashioned, long-boil way. She, too, is ready to start her jam making at 9 o'clock.
2. The dotted line shows level of the prepared fruit in Mrs. A's saucepan.	2. Mrs. B. starts off with the same amount of prepared fruit in her saucepan.
3. Mrs. A. adds 3 pounds of sugar. A pound of jam made with CERTO contains no more sugar than a pound made the old long-boil way, but she knows the CERTO recipe will give her 50% more jam.	3. Mrs. B. uses the old-fashioned long-boil recipe which calls for "one pound of sugar to every pound of fruit". So she weighs out 2 pounds of sugar and adds it to her prepared fruit.
4. Mrs. A. brings the mixture to a full rolling boil; boils hard ONE MINUTE only; removes from stove and adds 1/2 bottle (4 ozs.) Certo. CERTO is the natural jelling substance in fruit in concentrated form.	4. Mrs. B. boils the mixture about 30 minutes before the jam thickens to the desired consistency. This evaporates about 1/3 the weight of the fruit, darkens the color and carries off much of the natural fresh-fruit flavor in steam.
5. Mrs. A. is able to pour and paraffin about 5 pounds (10 glasses) of jam from her 2 pounds of fruit. She gets sure results because she follows the CERTO recipe EXACTLY.	5. Mrs. B. pours and paraffins about 3 pounds (6 glasses) of jam from the same amount of fruit. Until it is finished she cannot tell for sure how well her jam will turn out.
6. Mrs. A.'s 10 glasses of jam were made in just 15 minutes.	6. Mrs. B. took 45 minutes to make her 6 glasses of jam.
