PARLETTE, SCOTT HONORED AT ROD AND GUN FAREWELL

A farewell party was given Frank Parlette, president of the Prince Rupert Rod and Gun Club Saturday at the clubhouse, Oliver Lake.

A presentation of life membership to the club along with a copper tray and cocktail shaker was made to Mr. Parlette

by Norm Christianson. Bob Armstrong will take over presidential duties from Mr. Parlette when he leaves Friday for Vancouver.. More than 30 relatives and friends were in attendance at the party.

Life membership was also given Andy Scott who leaves for Alberni shortly. Mr. Scott holds the record of the most straight birds at one goal — shooting 108 without a miss..

FOIL "Whops 60,000-TON CARRIER

Any housewife would have thought of it! But credit goes to the builders of the U.S. Navy's mighty new carrier, U.S.S. Rauger, for using aluminum fuil to keep their product "fresh". During construction, a ship

rests on wooden blocks, which

absorb a lot of moisture. To protect their costly steel hull from rust and corrosion during the 12 month construction post, rind, the Navy simply covered the blocks with ordinary househeld foit. This brainwave was a natural for a marine builder. place nowadays he uses shiny, non-corroding aluminum so scidely for superstructures, life-boats mad other important shipbuilding components.
