WALLACE'S DEPT. STORE

LONDON (B - Britain has mands for control of the 141yielded to South African de- year-old Simonstown naval base which houses her South Atlantic i

Official sources who reported Wallace's Dept. Store in this today said Prime Minister **Eden's government in prolonged** m negotiations with rulers of the M Commonwealth country insisted upon - and won--- (in right to go) on using the base in peace and m war.

> A joint announcement by the utwo countries on Simonstown's M future and on the naval defence of the scalanes around Africasis reported immunent. 🦠

> Simonstown, 21 miles south of 🖪 Capetown, was of great import**u** ance to Allied shipping during Mar when for the Second World War when for long periods Axis forces were able to close the Mediterranean] routes to the Middle and Far

MAJANCE REJECTED

The huge naval installations, repair facilities and refuelling) depots combined to make the! base a sort of "African Gibralter." Bractin set it up as a naval! station in 1814 and in 1922 got m permanent base right from the 🏿 Iriendlier, more pro-British government of the late field mar-1 -hal Jan Smuts,

New arrangements giving the Union government control over M Smaonstown emerged from talks which ended here last; week between South African De-: tence Minister C. F. Eresmus and British cabinet ministers. The switch in control is expected to m begin almost at once and prob-👪 ably will be completed in about 🖹 five years.

Erasmus discussed other aspects of African defence with defence organization of African states south of the Sahara which ers, many of whom made their anight be linked with the Atlan-! 📆 tic alliance.
