"Captain Dreyfus." A story of mass hysteria by Nicholas Halasy Published By Simon and Schuster Reviewed by G. R. Howell

This is another in a series of book reviews arranged for The Daily News Book Page and sponsored by the Book Review · Club of the Prince Rupert Public library. It is hoped that the reviews of books from the library by various city residents and presented every week will help stimulate interest and encourage others to use the public library's fiction, non-fiction and reference facilities to a greater extent.

In the France of 1894 there was a traitor. He was Major Count for themselves, a cooking tent, destination, the boys stopped for Ferdinand Walsin-Esterhazy, born in Paris and an officer in the and laid out the cooking area. a lunch of sandwiches which had French army, who was selling unimportant military secrets to They dug a trench in the ground, been prepared for them by the the German ambassador for small sums of money.
