SPRAWLING NEIGHBORHOOD "A", residential area of Kitimat is shown above during this winter. Specially designed housing layout shows homes grouped around Nechako Centre, shopping hub of the neighborhood. Nearby is Killmat Junior-

mately where service Centre is halfway between smelter site and the "townsite." Slightly to left, sticking up above trees, is huge natural mountain of gravel. At left is Haisla Bouleyard to which from bottom left hand corner, road from Terrace will join.

Each Neighborhood of Kitimat Residential Area Part of Whole Scheme, But Still Self-Contained
