Mr. Tupper's 161-page report dealt solely with matters of administration and enforcement of the Criminal Code. A final report is expected to delve into lurid charges of corruption which have featured many of the commission's hearings. PAY FOR PROTECTION

Throughout the 161 pages ran the theme that citizens of Vancouver can have protection against lawlessness only if they must have sufficient interest in that it has a competent administration, good discipline and esprit de corps.

Walter Mulligan, fired as police chief last October, drew only brief mention. Mr. Tupper her husband. George Alex Hunt- he did not have the confidence
