was saved, he sain that into the Of their first stop in Prince crew, groundcrew and trades, church that cold winter morning Rupert FO Morris said that the there came a "tall thin man," results had proved "quite proman officer of the church, who ising." took the minister's place; he spoke the words which to me meant life.

Bunyan in telling of the days before his conversion speaks of going down the street in his town one afternoon and hearing several women talking about God. He said they did so with such sweetness of Scriptural language, that I said to myself, "They live in another world altogether." This had a great deal to do with bringing Bunyan to Christ himself.

My thristian friends, let us covet, to be faithful witnesses like some of these, and as Thomas Kempis said, "Be content to be unknown;" We belong LONDON O - British soldiers homa (always thought the Florbuilders," of the Kingdom of the Canadian Arm! our Lord and His Christ.

## Salvation Army Chief to Visit Rupert For Annual Four-Day Native Congress

Commissioner William R. Dalziel, head of the Salvation Army in Canada and Bermuda, will visit Prince Rupert next weekend to lead religious meetings in the annual Native Congress at the Salvation Army Citadel September 3 to 5.

The commissioner, accompanlied on the trip by his wife, will speak at services Friday, Saturday and Sunday during the annual event which sees Natives from throughout the northern B.C. coastal area visit the local Salvation Army Centre.

The Congress is scheduled to open Friday night with a youth 1 meeting. Saturday night there will be a general service, during which the commissioner and delegations from the various villages will be welcomed.

Regular services will be held Sunday morning and evening, who are now officers in all parts, Mrs. Daiziel, before her marwhile Sunday afternoon a Cit- of the world. izens' Rally is planned, at which
