

St. Paul's Lutheran LA Hold Successful Tea

President Mrs. Melvin Hetland received the guests Thursday afternoon when St. Paul's Lutheran church Ladies Aid held a successful annual tea and sale of home-cooking. A large crowd filled the church hall which was decorated with lilacs and mixed bouquets.

Servitors were Mrs. Richard Giske, Mrs. John Pedersen, Mrs. Chris Berg, Mrs. Egil Sornes and Mrs. Lars Olsen. Directing the kitchen were Mrs. Bernard Pedersen, Mrs. Iver Eidsvick, Mrs. Hedyk Wick and Mrs. Martha Janssen.

Handling the fancywork booth were Mrs. Hans Hagen, Mrs. Gao Fowle and Mrs. Gustav Mostad. Home-cooking counter was in charge of Mrs. Jack Strand, Mrs. Wilson, Mrs. Harold Sundby, Mrs. Clarence Adland and Mrs. Anton Dyhavn. Mrs. Harold Hetland was cashier.

In conjunction with the bake sale, the Young People's Luther League of St. Paul's Lutheran church conducted a most successful fish pond and candy sale. Proceeds from these extra attractions will help send delegates to the Canada District convention in Calgary, Alberta to be held July 5 to 8. To date three delegates named are Nina Mostad, Louise Hetland and Sonja Selvig.

Money has already been realized for the delegates through a car wash held in the Shop-Easy parking lot on June 2 and also through donations placed in a miniature train arranged at the back of the church.

Hypnotist To Repeat Show Tomorrow

Take one 103-pound girl, make her rigid as a board with a snap of the fingers, have two helpers place her across the backs of two widely separated chairs and then stand on her stomach.

There you have the ingredients of an exciting two-and-a-half-hour show of magic and hypnotism as practiced by Canada's top hypnotist.

This act was just one of many demonstrated Saturday night to a large crowd at the Civic Centre as Dr. Nick Kit, 32-year-old Edmontonian held his audience alternately spell-bound and shaking with laughter. The girl with the cast-iron tummy is Mrs. Kit. Dr. Kit weighs more than 170 pounds.

Due to popular demand, Dr. Kit has been held over for another performance and will repeat his two-and-a-half-hours of magic and hypnotism tomorrow night at the Centre under the sponsorship of the Prince Rupert Shrine club.

Saturday afternoon, Dr. Kit and his wife went out to Miller Bay Indian hospital, where they entertained the patients with fascinating and hilarious routines.

In The Parks

By RUSTY

The summer season in the playground is again underway, with all its children, dogs and troubles.

We had our first trouble Saturday night sometime between 9:10 p.m. and 9 a.m. The office at the swimming pool was broken into and about 15 long play records stolen. Also the telephone wires of our newly connected phone were cut, for no apparent reason.

I would like both parents and children to help in trying to find the vandals responsible, as by stealing the records they are only hurting themselves, for now there will be less music and the monotony of the few we have left played over and over.

The swimming pool will be supervised this week by Stan Fielding and myself from 1 to 9 p.m. A few games and trail clearing expeditions will be held in the evening, weather permitting. Stan plans to organize the boys to clear the trails through some of the bush area, for walking paths. The stumps and branches cut out will be burned in the weiner roast bonfires later in the season.

Plans for the summer program are almost complete. Swimming classes will be held twice a week and registration forms will be printed in this paper and also circulated through the schools.

There will be a hike out of McMinnmont park once a week, and also a special event such as a penny carnival, masquerade contest, fishing contest, track and field day, and camera contest. On rainy days the parks program will be held in the Civic Centre.

Everyday program will include, story hours, crafts such as plastic braiding, painting, coloring, carving, and clay modelling; advanced swimming, trail clearing, bonfires, singing, and other interesting games and crafts.

The pool and the creek that flows through the park, will be tested this week by the Skeena Health Unit. The results of the test will be published in this paper.

The registration for the July 2 swimming races, sponsored by the Elks, is very slow. Anyone wanting to enter, application can be made at the pool until Saturday. Come on, let's make this first event in the pool a big one!

Benches were then pushed back to the walls and club members served refreshments which included huge cakes iced with red and white icing.

Dancing was enjoyed until late.

Don't forget to register for swimming lessons and the July 2 Elks' swimming races at the pool.

Be seeing you—in the park.
