## Playoff Berth Doubtful For WIFU's Stampede

By The Canadian Press  
Calgary Stampede, at one stage this season considered the "powerhouse" of the Western Interprovincial Football Union, now can get into the three-team playoff only if Winnipeg Eskimos lose all three remaining games.

The Stampede were forced into this position when beaten 19-8 by Saskatchewan Roughriders in Regina Saturday afternoon, a few hours before Edmon-

## Saxton To Make Third Attempt At Welter Title

PHILADELPHIA — Welterweight champion Kid Gavilan and challenger Johnny Saxton will make a third attempt Wednesday night to have it out in a 15-round title fight in Convention Hall.

The twice-postponed bout originally was scheduled for July 14 and then Sept. 1. The first postponement was caused by the Cuban champ's injured right hand and the second when The Keed came down with a virus and the mumps.

This advertisement is not published or displayed by the Liquor Control Board or by the Government of British Columbia

ton Eskimos trounced British Columbia Lions 31-3.

A chance to prolong this mathematical chance is given Larry Stiemering's Calgary entry when they invade the Manitoba capital tonight to meet Blue Bombers in Stampede's last game this season while Edmonton is in Vancouver wrestling with the hapless Lions.

In Montreal, Sam (The Rifle) Etcheverry, twisted Hamilton Tiger-Cats tails Saturday and practically blasted the black and yellow club out of Molson Stadium with one of the slickest exhibitions of passing the Big Four has seen.

Etcheverry, three-year import from Denver University, threw five touchdown passes and completed 26 of 36 for a 586-yard gain through the air, believed to be an all-time Big Four record. The Als ran up a 46-11 score, highest of the season.

## Royals, Stamps Victorious In Weekend WHL

By The Canadian Press  
Hometown fans are getting lots to cheer about in the young Western Hockey League season.

Continuing the trend that has seen the visiting club humiliated in all but four of the 16 league games played to date, New Westminster Royals and Calgary Stampede sent supporters home happy in the only games scheduled this weekend.

Royals walloped the tail-end Victoria Cougars 7-2 in New Westminster Saturday night to vault into first place over the idle Vancouver Canucks. And the Stampede, who had won only one previous start, made a winning home debut by humbling Saskatoon Quakers 8-3 before more than 4,700 fans.

The loss in Calgary was doubly bitter for the Quakers who suffered a 4-2 setback from the same Stampede in Saskatoon Friday. The hapless Cougars have lost twice on their own ice and Stampede and Royals played to a 4-4 stalemate in the only other contest that failed to see the home club post a winning margin.

## LEONARD TAKES B.C. OPEN IN SECOND PLAYOFF ROUND

VANCOUVER — Stan Leonard of Vancouver shot a sizzling three-under-par 68 here Sunday to capture his fourth British Columbia open golf championship in nine-hole playoff with Portland's John Langford, who shot a par 71.

The playoff was the second in the tightly contested \$500 open that saw Leonard, Langford, Doug Bajus of Vancouver and veteran Chuck Congdon of Tacoma tied at the end of the regulation 54 holes Oct. 9. Leonard and Langford remained tied after the first 18-hole playoff a week ago that eliminated the other two.

## Cloverleafs Take Group 1 Honors In Ladies' Five-Pin Bowling Loop

Cloverleafs took all honors in Group 1 of the Ladies' Bowling League Tuesday with a team high single of 1198 and a high three of 2887.

Sparking the Cloverleafs to top spot was Olga Newton with a players' high score of 345 and individual high three of 742.

In Group 2, Super Valu posted team high single of 899 to mark a sweep by Prince Rupert Plumbers. Plumbers posted team high three of 2547 while Roberta Paul of the Plumbers took high play-

What's news at Inco?

# Soon... iron from a nickel mine

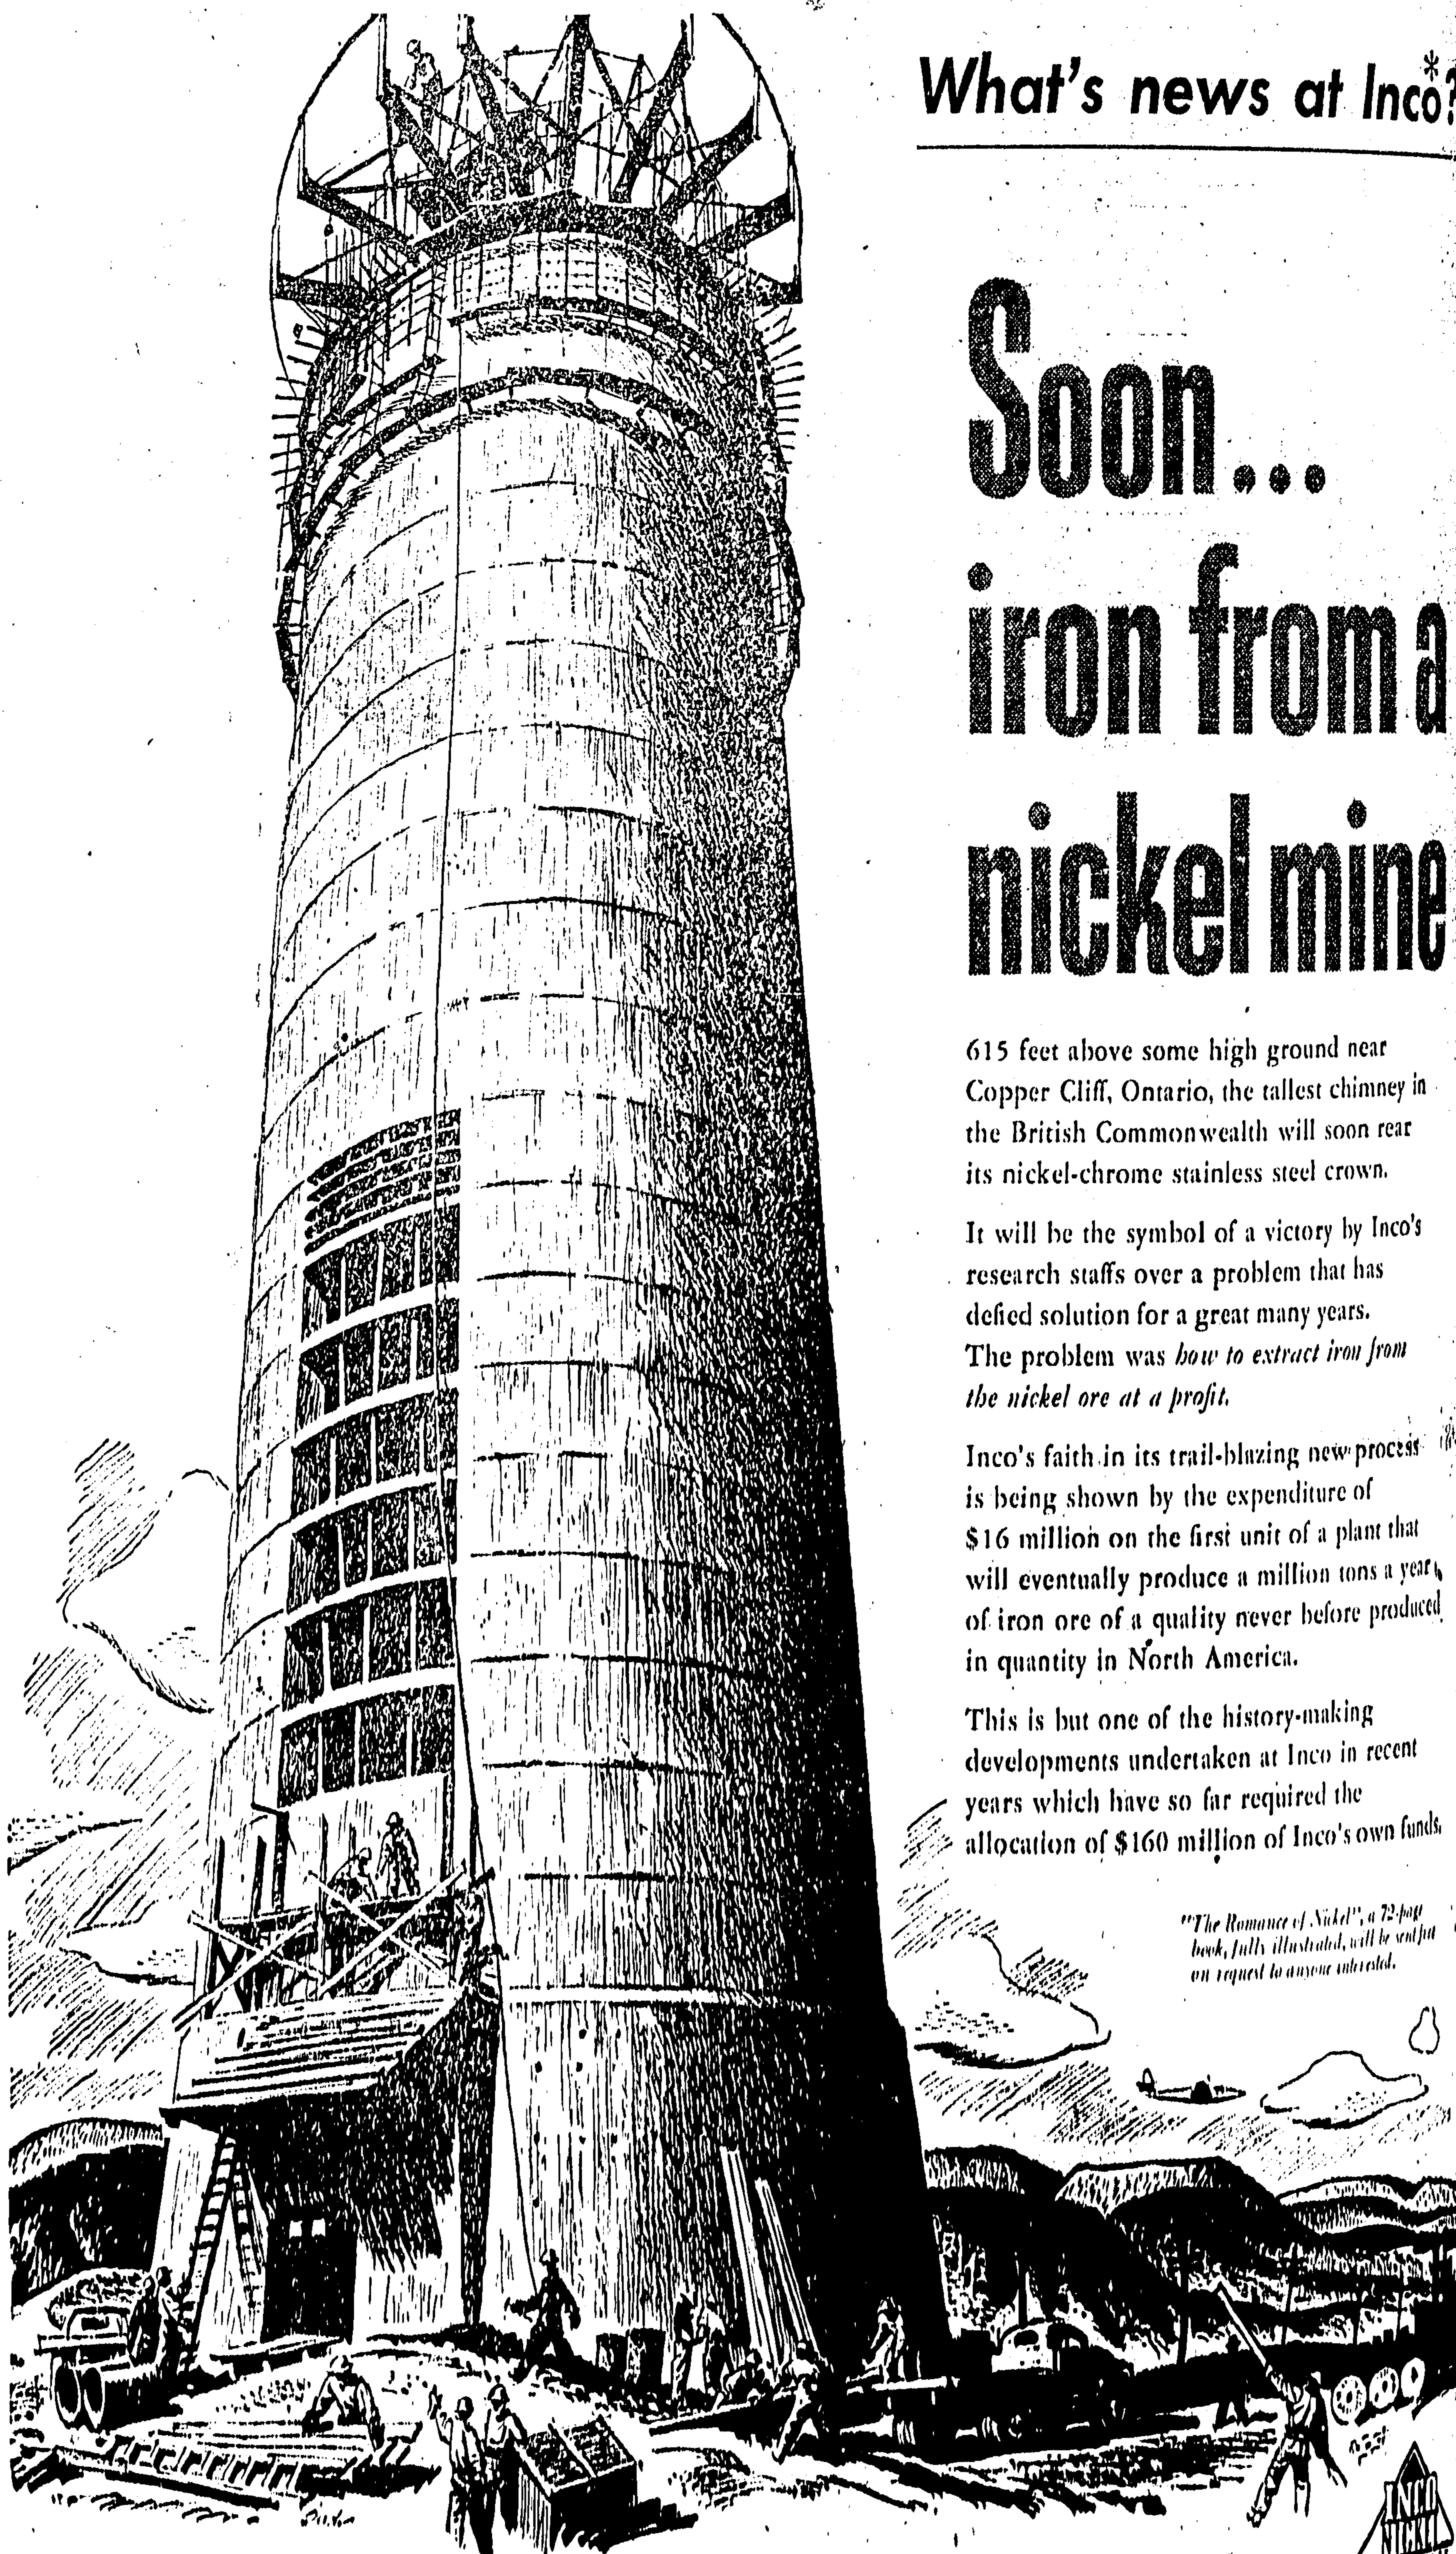

615 feet above some high ground near Copper Cliff, Ontario, the tallest chimney in the British Commonwealth will soon rear its nickel-chrome stainless steel crown.

It will be the symbol of a victory by Inco's research staffs over a problem that has defied solution for a great many years. The problem was how to extract iron from the nickel ore at a profit.

Inco's faith in its trail-blazing new process is being shown by the expenditure of \$16 million on the first unit of a plant that will eventually produce a million tons a year of iron ore of a quality never before produced in quantity in North America.

This is but one of the history-making developments undertaken at Inco in recent years which have so far required the allocation of \$160 million of Inco's own funds.

"The Romance of Nickel", a 72-page book, fully illustrated, will be sent on request to anyone interested.
