

Duplicate Bridge Group In Need of More Players

More bridge players are needed to form a Duplicate Bridge club now being organized in Prince Rupert, it was announced today.

Mrs. Ludwig Karlson, acting secretary said that duplicate bridge is an international game and an organized club here would not only give prestige to the city but players who join may play bridge anywhere in the world where there are duplicate bridge clubs.

A second meeting will be held tomorrow at 7:30 p.m. in the Civic Centre with a view to organizing the club.

Persons interested are asked to bring a partner if possible, for in duplicate bridge you play with the same person throughout the season, Mrs. Karlson said.

At the first meeting November 17, 18 bridge fans took part in a bridge session. However to become an organized club, more players are required.
