FIRST GOAL RATED KEYSTONE IN EAST ALLAN CUP SERIES

CHATHAM, Ont. ()—If you like to bet on oddities, here's one. The team that scores the first goal in the eastern Canada Allan Cup playoff game tonight should win. It's been like that so far.

There have been four games in the best-of-seven series between Saint John Beavers and Chatham Maroon. Moroons went in front 1-0 in three of the engagements. They now hold a 3-1 lead in the series.

Beavers, who won the first game 5-4, were first to hit the scoreboard in that one.

Chatham could end it tonight with a win. Should Beavers pull an upset, however, a sixth game is scheduled for here Saturday. The astern Canada champion travels to British Columbia for the Canadian final against Vernon Canadians, to start April 19.
