Try this entirely new kind of motor fuel and end forever the biggest single cause of engine trouble

Cleans your carburetor... first tankful stops deposits

If your engine dies at stop signs, uses too much gas, bucks and stutters in traffic—earburetor trouble is slowing down your car. It's caused by particles of dust, gum, carbon that form a ring of deposits in the carburetor and choke off the engine air supply. Until recently, repair work was the only way to bring your car back to normal. Then, Standard scientists perfected "Detergent-Action" gasoline, a new kind of motor fuel that cleans out carburetors in old cars, keeps them clean in new cars."

Steps up power...boosts miles-per-gallon

Millions of test miles proved that cars driven on "Detergent-Action" Chevron Supreme or Chevron Gasoline no longer stalled at stop signs, ran smoothly and quietly, delivered more power on less gas. One taxi fleet testing "Detergent-Action" Chevron Gasolines reported gas savings of \$1200 a month. In other tests, they eliminated all carburetor troubles except those due to mechanical causes. Today's fill up with 'Detergent-Action" Chevron Supreme or Chevron Gasoline . . . you'll drive a thriftier, smoother-running car. Available only at...
