

# Saturday Sermon

By SR. CAPTAIN C. FRAYN

OF The Salvation Army

shall not see wind, neither shall ye see rain; yet the land will be filled with water that ye may drink, both ye cattle, and your beasts. And this is but a light thing of the Lord; He will deliver the mobiles also into

2 Kings 3: 16 and 18.

In thinking this would be possible BUT nothing is with God. Nothing too bad. A sound or sign, from visible and apparently the floods came and the ditches were in the country was in water. Is it not so often our unbelief put a sign? Religion is largely sensational and not satisfied with what is manifest. We know "the greatest Faith is to be still" that He is God. The God will fill them. Oh for faith that can act by Faith and not by sight and expect God to work in the Master say, "Stand although we see no wind or rain."

### Straight But Shapely Sheath Features Figure-Molding Finesse

PATTERN M294  
design by  
ALAN PHILLIPS

#### PROMINENT DESIGNER

Slim as an exclamation point and just as exciting! It's the long, lithe look but given enticing curves by its designer, Alan Phillips. Straight but with bosom interest, straight but with definite curves at waist and hip — and a gown that will go straight to your heart! Hidden beauty, the skirt — that wraps generously around at the back, makes walking, dancing a delight! Sultry black imported silk fashions the couture original (applause winner of Richard Cole's summer showing). Gleaming sateen, shantung, delicate embroidered cotton would be other smart choices — to sew in summer's most exciting design!

Pattern M294 is available in Misses' Sizes 10, 12, 14, 16, and 18. Size 16 requires 27 1/2 yards 39-inch fabric.

### Tonight Last Chance To See Comedy

A medium sized but appreciative audience was in a theater state of mind last night at the Civic Centre when the Prince Rupert Little Theatre Association presented its third performance of "See How They Run."

The evening was designated as "Terrace Night" to help the interior theatrical group regain some of its losses from the Terrace Civic Centre fire. Proceeds from last night will help replace destroyed theatrical equipment.

About 20 residents from Terrace motored here for the play and expressed appreciation of the three-act farce.

The comedy with its laugh-a-minute patter and actions will be staged for the last time tonight. Curtain time is 8:30.

### First Riding Club Session Success at Francois Lake

Special To The Daily News  
FRANCOIS LAKE — The first riding club meeting got off to a good start Sunday with 11 riding and taking part in celebrations honoring Mary Jane Shaffer on her 12th birthday.

Mary Jane was riding for the first time and after starting off at the Van Zenten ranch, the group rode west along the lakeshore and then north past the Reed ranch. The riders stopped at the creek and just before lunch Mary Jane was presented with a membership in the club and a red neckerchief, similar to those worn by all the riders.

After other gifts were presented Mary Jane was given an iced birthday cake which Mrs. Owen Van Zenten had made for her and carried carefully all the way in a tin.

As the riders were moving on and were nearly to Harrison's ranch, the colt Marjorie Smith was riding bareback started to buck and sent her onto the path. Marjorie climbed on again and the horse really started bucking giving Marjorie two bad tumbles.

Sonny Short put his saddle on Marjorie's colt and then the colt really took to bucking again. When he wanted to stop Sonny gave him all the bucking he wanted and a good deal more. From then on Sonny had a very subdued colt for the rest of the ride.

The riders stopped off at Harrison's ranch and watched the calf branding and steer riding.

The riders rode east along the Brown Road and left Mrs. Snyder and Kay Chapelle off at the Snyder ranch, then Mary Jane at the Shaffer farm. The rest rode back to Partingtons, then

### Jamboree?

You'll find many a Boy Scout who does. He's longing to join thousands of fellow Scouts at the 8th World Jamboree to be held in August at Niagara-on-the-Lake.

But he may be disappointed. Transportation, for instance, may be just too great an expense. It is to help such a Scout that The Bank of Nova Scotia is co-operating with The Boy Scout Association to set up 50 all-expense-paid Jamboree Journeys for deserving Scouts.

Scouts are invited to write a short essay on the theme "What It Means To Be A Scout." On the basis of these essays a total of 50 winners will be selected in co-operation with the Boy Scout Association. The Bank of Nova Scotia will meet the costs of travel and of ten glorious days at the Jamboree for these 50 lads.

The Bank of Nova Scotia's Jamboree Journey Essay Contest is another example of the Bank's policy of working with Young Canada. The Bank is their partner, as it is yours, in the great and many-sided enterprise of helping Canada grow.

### The BANK of NOVA SCOTIA

Your Partner In Helping Canada Grow

Entry forms are available to Scouts, eligible to go to the Jamboree, from the Boy Scouts Association or your nearest Branch of The Bank of Nova Scotia.
