Residents Have Last Chance To See Potpourri Tonight

Sunshine and warm weather have added a boost to the second annual Potpourri at the Civic Centre Potpourri yesterday when a steady and enthusiastic crowd came and went from one display to another throughout the day.

White baskets of beautiful flowers, colored streamers and balloons provided a festive setting for the outstanding exhibits and the variety of home-cooking, ready-made, Chinese laundry, plants and a large variety of other interesting stalls.

Prince Rupert women in their spring bonnets enjoyed the tea room in the auditorium sponsored by the Imperial Order of the Daughters of the Empire. Outstanding examples of craft work from the Vancouver Branch of the Canadian Institute for the Blind are on display for sale and members of the Prince Rupert Business and Professional Women's Club, sponsoring the CNIB exhibit report a great many sales have been made. Among articles in the CNIB collection are cracker trays, dog baskets, fern stands, baskets and shopping baskets.

Beside a display of pottery from the Vancouver School of Art the Potpourri features a large display of crafts carried out by Civic Centre members during the year and the individual stalls of pottery, flowercraft, copper work, leatherwork and woodwork are all beautifully displayed with color and imagination.

Youngsters have been having a wonderful time going from the Gyro fish pond, Civic Centre Carnival stall, Klismen dart throws, Moose candy stall, Girl Guide popcorn and doughnut stall.

Greatest variety of hand-made articles are displayed in the Miller Bay Hospital booth including beadwork, finely carved totem poles, jackets, slippers, moccasins and croquet work.

The surprise packages of the Royal Purple Chinese laundry have been giving delight to the customer while the Prince Rupert General Hospital Auxiliary reported making large sales in its variety stall.

Attracting many admirers were the copperwork by William Collins and George Ferguson and a large entry of needlepoint by Mrs. J. R. McNeill, who is more than 80 years old.

Biggest crowd is expected this afternoon and evening, which will see the wind-up of the Potpourri when the Prince Rupert Film Council will show films on handcraft.

Films to be screened are: "Peter The Potter," "Warp and Felt," "Craftsmen at Work" and films on metal craft, puppetry, model houses and paper sculpture.

The sum of \$210 was the amount netted when the Port Edward Parent Teacher Association held its first Spring bazaar and tea April 6.

The successful affair was convened by Mrs. William Rosenberg who reported that the large variety of items including croquet work, baby's and children's knitted goods and aprons were all sold as well as the goods in the home-cooking and rummage booths.

Refreshments were served during the afternoon.

MUSEUM briefs

By JOCELYN BOLTON

We hope that you will all come and enjoy the films being shown at the Civic Centre next Sunday and bring the children. This movie showing is being sponsored by the Museum and Tourist Bureau, and as Tourist Week is from May 1 to May 7, we thought this would bring to mind the advantages of the Museum, also of having an established Bureau.

Judging from the many letters received and answered, the coming season looks like it will be a very busy one. We have many visitors already and out of town cars are noticed on the highway and in town.

We hope that any business having something special for the tourists will advise this office so that we can send them to your place of business. We are always glad to do this and it makes the visitors feel as if they are expected, welcome and that we are willing and glad to serve them, and they do enjoy a friendly chat and greeting.

Films to be shown are as follows: Natural History -- "Flight of the Sea Birds"; Comedy -- "The Loan Stranger"; Miscellaneous -- "Mother Mack Trailer Seven Puppies"; Travel -- "Northward Bound"; "Flying Surveyors."

These pictures are not very long and we believe that the whole show will be about an hour. We hope that many of you will come and enjoy this free showing of interesting films.

We are still hoping for more volunteers for our "Tag Day" to be held on May 7, as we hope to have plenty of taggers on hand and to make it a real success. All taggers will be given their lunch -- hot dogs, homemade cake and soft drinks -- and a small prize to the "high" can, so we ask that the young people rally around the cause of Museum Tag Day. As so many seem to enjoy the Museum, we hope they will feel that they can help which they certainly can.

"Thank you" to all those young people who have come and put their names down, it makes one feel encouraged at the response.
