the 1956 Mondife h

No wonder heads turn when a new 1956 Monarch goes by! For here is a distinctively new kind of styling -long, low, and slim, with a distinguished air thatunmistakably sets Monarch "apart from the crowd". In every model in every Series—the stylish Custom, the luxurious Lucerne and the truly inagnificent

Richelieu-you'll detect a new feeling of elegance and refinement that is echoed in the superb interiors, excitingly fashioned in the finest of fabries, the newest of patterns! There's so much that's new about the '56 Monarch, so much that is refreshingly different, so much that says "distinctively yours"!

Where a fine car matters Monarch belongs

TERRACE

YOUTHFUL PERFORMANCE ...

You'll sense a lively "lift" in Monarch's new performance a youthful, high-spirited response to your commands. And because the great new Monarch V-8 engine for '56 provides not only higher horsepower. (up to 22541p.) but more usable power in normal driving ranges, you get the benefit of its new responsiveness in all your driving. Deep Noblock. design makes the Monarch V-8 a smoother, quieter, longer lasting, more durable engine. New engineering advancements - by the world's leading -V-8 builder - make it the outstanding performer in its field!

SAFETY-PLANNED DESIGN.

Monatch's new safety-planned design is keyed to modern driving conditions the outcome of years of fescarch with noted safety experts. Safety-planned dosign includes a new impact-absorbing steering wheel and new safety-hold. door locks; it offers as optional equipment new safety seat belts and shock-absorbing padding for instrument panel and sun visors. And the quality of Monarch construction, the extra strength and stability builtinto every part, means greater safety for you and your passengers).
