No Relief Seen In Cold Wave

*LCNDON (CP) — The death toll in Europe's relentless February cold neared 500 today, with no relief in sight.

Temperatures far below freezing stretched across the continent and the British isles. The normally sunny French Riviera had its heaviest snowfall in fiving memory Tuesday,

Icepacks slowly forced the 1,-990-ton Swedish cargo ship Matilda on to Sweden's rocky Baltic coast today. Helicopters stood by to take off the 20 crew members if hone of saving the ship is abandoned 🤼

Thousands have been isolated in snowbound Villages, and many ! areas are running short of food and fuel.

ures have not been available from Iron Curtain countries---believed to have suffered as heavily as western Europe. SHIPPING STOPPED

Ice has stopped all inland shipping throughout Germany. The Danube is frozen over for 140 miles.

Temperatures in West Germany overnight ranged génerally! between 5 and 20 degrees fehrenhelt, but Bavaria had 10 be-

on the province when we have BOOTH HIGH SCHOOL PAPER which on which is not costing a BOOTH HIGH SCHOOL PAPER which ISSUED AS SUPPLEMENT TODAY

First Issue of a newspaper published by students at Booth Memorial High School appears as a supplement in to: day's edition of The Daily News.

Called the "Bo-Mo-III", the newspaper is prepared and written by the students themselves under the direction of English teacher Herbert hugnes. It replaces the weekly school page formerly carried by the Daily News which was discontinued when students decided that a separate publication would meet the purpose better for reporting on school activites. Until a definite schedule is arranged, it is planned to pub-

lish the paper every two or three weeks.
