Booth Memorial High school basketball players will not be playing many games away from home this winter unless there is a change in scholastic stand-

Indication of this was given at this week's District 52 School Board meeting to their first city council meetwhen Booth High school principal R. H. Davidson asked the board's permission British Columbia Municipalities, for one school basketball team to travel to Ketchikan to take part in the annual convention in Prince George, reinternational trophy series December 1 and 2.
