E ARUSE! ABUSE! Nothing but abuse is what Daily News editor Dick Ayres (white shirt, half the polynomial (centre) appears to be getting from trio of beard-growers. Three characthe supplies phone call to news desk are shown insisting that Civic Centre Community Week e in the given as much publicity as recent bathing beauty contest. With finger on pict perded matelot, used as example, is Fred Jones, general-secretary of the Civic Centre; ting dispute is George Brown, director on the Civic Centre board; Standing on chair at ogue him height and pointing rudely is John Robertson, also member of Civic Centre He is showing off tall forehead and hiding beard. Robertson recently accused editor of more man on his chin than on his head. Beards will be adjudicated by panel of five The pulse of a Super Dance in Civic Centre October 21.

TS CUNNING ARTICLE

brey-Mad Beard-Grower Seeks Pay Insulting Man With More Hair

By JOHN ROBERTSON CFPR Program Director

Some time ago I wrote an article for the "Daily News" under the head: CHY NOT DUE FOR TOTAL ECLIPSE;

This article was apparently cunningly contrived to draw attention to my less I know this is right because the News Editor, Dick Ayres, said it was per tony council.

He said, Highways Minister P. Bother in Sardis, has been notified of the accident. Poor weath-vincial engineer here to forward on provided to draw attention to my less it is right because the News Editor, Dick Ayres, said it was vincial engineer here to forward on provided to draw attention to my less than the distance of the accident. Poor weath-vincial engineer here to forward on provided to draw attention to my less than the distance of the accident. Poor weath-vincial engineer here to forward on provided to draw attention to my less than the distance of the accident. Poor weath-vincial engineer here to forward on provided to draw attention to my less than the distance of the accident. Poor weath-vincial engineer here to forward on provided to draw attention to my less than the distance of the accident. Poor weath-vincial engineer here to forward on the distance of the accident. Poor weath-vincial engineer here to forward on the distance of the accident. Poor weath-vincial engineer here to forward on the distance of the accident. less I know this is right because the News Editor, Dick Ayres, said it was a report on the proposed route the incident being learned here, night at the home of Prin. have been written by Talt just of the TLC, who was invited to be said it in print. On the front page of the "Daily News." Under a very of the roof. e said it in print. On the front page of the "Daily News." Under a very of the road.
