V STANDARD EQUIPMENT ON 1955 CARS 35%Safer!

the new 1955 cars will headline many new features, but none of them will be more important to your safety, your comfort or ' your pocketbook than tubeless tires as standard equipment at NO EXTRA COSTI This great new tire—completely new in design and construction—sets entirely new standards of safety, riding comfort, mileage and silence.

Automotive Engineers Acclaim Its Many New Features

When the new Firestone DeLuxe Champion Tubeless Tire was first offered to car manufacturers, they subjected it to their most severe and exhaustive tests. And this new tire passed every test with performance for beyond all expectations. They found it ran quietly and refused to squeal on the sharpest turns; took the danger out of blowouts; abolished roadside delays and provided greater riding comfort and stearing ease.

You Can Have This Great New Tiro On Your New 1955 Car or On Your Present Car

When you buy a new model car of any make, you can have it delivered on new firestone DeLuxe Champion Tubeless Tires. Or, if you continue to drive your present car, you can have these new tires put on it at no extra cost . . . no special rims are needed. See your nearby Firestone Dealer, .
