Radio-Telephone Link In South To Be Extended

telephone stations from Vancou-phone Company in Vancouver, ver Island will be extended to who said that work is now under Ocean Falls before the end of way,

From 1 to Teen

Of Course

The \$1,000,000 chain of radio- gineer of the North-west Tele-

This was announced by B. R. | In his statement, Mr. Tupper Tupper, manager and chief en-said that the extension of the very high frequency radiotele-! WALLACE'S DEPT, STORE provide clear, reliable voice communication between the upcoast town and Vancouver, and thence through Vancouver to any part of the world. Presently, Ocean Falls is served by a meaium frequency telephone link' from Vancouver.

The coastal chain provides radio relay equipment at Parksville, Cape Lazo (near Comox), Campben River, East Thurlow Island, Hardwicke Island, Alert Bay and San Josef. To get service into Ocean Falls, it will be necessary to build a relay sta-🖼 Luon at Wearing Point, about six miles from Ocean Falls, as well as a terminal in the paper town;

Very high frequency (VHF radiotelephone requires a reanel, shielding Ocean Falls from

radiotelephone Sound to Wearing Point, and thence up Dean Channel to Ocean Falls.

A survey of this route took! place earlier this month, proving lieve. the route feasible, and Mr. Tuptechnicians will be able to leave Vancouver next week to start the installation of complex radiotelephone equipment and antennas on the sites.

B.C.'s PETROLEUM PRODUCTS OUTPUT has been substantially increased with the official opening of the new \$10 million fluid catalytic refinery of Standard Oil Company of British Columbia Limited, in North Burnaby, which has a designed processing capacity of 11,000 barrels of Alberta crude oil per operating day. At official opening, mammoth plant was put "on stream" by Premier W. A. C. Bennett (centre), and more than 1,000 guests were welcomed by Ralph D Baker (right) president and manager director of Standard of B.C., and T. S. Peterson, San Francisco, President of Standard Oli Company of California. In Prince Rupert last week the Standard Oil agency was taken over by Bill Bond, assisted by Stan Ballinger as marine sales and plant man

SEEING IS BELIEVING, though it's pretty hard to believe some of the things you see these days. Take this unique photo, for example. It shows Metropolitan Opera star Robert Merrill and Jazz great Louis Armstrong after they switched roles on the last night of their engagement at a Las Vegas, Nev., resort spot. On a dare they exchanged hats and singing styles to the delight of the customers. "Satchmo" delivered his version of an aria from 'Pagliacci' while Merrill accompanied him on Armstorng's trumpet. Then Merrill sang Armstrong's popular "Honeysuckle"
