TO HOUSE OLYMPIC SWIMMERS AND DIVERS — This is an exterior view of Melbourne's spectacular swimming and diving stadium built for the first Olympic Games ever to be celebrated in the Southern Hemisphere. The roof ed stadium, designed to hold 5,500 persons, is completely glassed at both ends. The water temperature is controlled and specially chlorinated while the water itself is supplied from the nearby River Yarra. The stadium is located at Olympic Park, a multi-purpose sports center featuring in addition to the swimming stadium a soccer field, cinder training track, a cycling velodrome and a nockey field.
