FRANCOIS LAKE — It is milder now and the change has surely been welcome. On Sunday night there was a fall of about 15 inches of snow and the school bus coming from Burns Lake was very late in arriving at Francois Lake school. The mail car was coming out from Burns Lake and the going was so heavy west to Noralee that it was late in the afternoon before it returned to the Landing to take the mail to Burns Lake instead of shortly after one o'clock. The snowplough has since been through and traffic is back to normal again.

Dr. Green and Dr. Holmes are leaving Burns Lake shortly. Dr. Holmes has been practising here for 27 years and is retiring. Dr. Trevor Thompson, who has been working in Vanderhoof with Dr. Mooney and Dr. MacDonald, has moved to Burns Lake to take over Dr. Holmes' practice.

Bill Andersen came to the Landing on Wednesday morning by boat. He had broken some ribs when struggling with a hayrack. The only way he has of getting out from his ranch down the lake is by boat except when the lake is frozen over.

The Women Institute held its annual meeting at Mrs. C. Routley's Thursday afternoon. Election of officers for the coming year resulted in the following taking office: Mrs. Hugh Neave, president; Mrs. Del Cassidy, vice-president; Mrs. Reg Partington, secretary. Directors are Mrs. C. Routley and Mrs. John Keefe. Articles left over from the bazaar were auctioned off amongst the members. Mrs. Routley served lunch which all enjoyed for among other good things Christmas cake was passed around.

Harold Neave and John Keefe drove to the hall on Saturday afternoon to have tea which the Women's Institute was serving. They looked over the stalls and Harold Neave bought a few novels which looked interesting.

Imagine his amusement when he got home to find that his name was in them and that they had been given to the white elephant stall! He says they are good reading and that he's going to read them again.
