# WARNING

BEWARE!

Yes, it's the Season when everyone is working that the cheap watch peddlers put in their appearance.

### REMEMBER!

If offered the chance to purchase a watch cheaply, BE SURE: to see Your Jeweller first. He will give you his honest? opinion as to whether or not it is worth the money.

### DON'T BE FOOLED!

Most of these peddiers are softing cheap watches that costs \$5 to \$10 for as high as \$35 and \$40. When they give trouble, you are really stuck, as they are not worth fixing,

Tell your friends of this ad and warn them to be careful. This is one way we can get them out of our city.
