#### GREY CUP TO BE WON, LOST WITHOUT LIBERACE'S PIANO

VANCOUVER O - The Canadian Rugby Union has decreed the Grey Cup should be won and lost here November 26 without any distraction from Liberace's piano.

The proposal, in a letter from CRU secretary Harry Mc-Brien to Phil Webb, British Columbia Lions manager, was supported by John Dunsmuir, named Tuesday general chairman of the 1955 Grey Cup festival committee,

McBrien's letter asked for details of reports that Liberace had been invited as an added attraction during game week. The plan was abandoned some time ago. It said:

"Much of the success of the Grey Cup festival is due to the parade and dinner, two features that are tied in with the game itself and two features that will advertise both the game and the city in which the game is played,

"It must be remembered that everything presented will take place on Friday and Saturday. Everything before that time is premature and all after that is anti-climatic. Crowds will start arriving Friday and will be leaving on Sunday,
